(2)(a) The share of each member State of the Union in the total amount of the annual contributions shall be determined by reference to the total expenditure to be met from the contributions of the member States of the Union and to the number of contribution units applicable to it under paragraph (3). The said share shall be computed according to paragraph (4).

(b) The number of contribution units shall be expressed in whole numbers or fractions thereof, provided that such number shall not be less than one-fifth.

(3)(a) As far as any State is concerned which is a member State of the Union on the date on which this Act enters into force with respect to that State, the number of contribution units applicable to it shall be the same as was applicable to it, immediately before the said date, according to the Convention of 1961 as amended by the Additional Act of 1972.

(b) As far as any other State is concerned, that State shall, on joining the Union, indicate, in a declaration addressed to the Secretary-General, the number of contribution units applicable to it.

(c) Any member State of the Union may, at any time, indicate, in a declaration addressed to the Secretary-General, a number of contribution units different from the number applicable to it under subparagraph (a) or (b). Such declaration, if made during the first six months of a calendar year, shall take effect from the beginning of the subsequent calendar year; otherwise it shall take effect from the beginning of the second calendar year which follows the year in which the declaration was made.

(4)(a) For each budgetary period, the amount corresponding to one contribution unit shall be obtained by dividing the total amount of the expenditure to be met in that period from the contributions of the member States of the Union by the total number of units applicable to those States.

(b) The amount of the contribution of each member State of the Union shall be obtained by multiplying the amount corresponding to one contribution unit by the number of contribution units applicable to that State.

(5)(a) A member State of the Union which is in arrears in the payment of its contributions may not, subject to paragraph (b), exercise its right to vote in the Council if the amount of its arrears equals or exceeds the amount of the contributions due from it for the preceding two full years. The suspension of the right to vote does not relieve such State of its obligations under this Convention and does not deprive it of any other rights thereunder.
