

Doing business abroad?

It pays to have the right connections.

Canadians doing business abroad need reliable contacts with in-depth knowledge and local know-how. Finding the right people can be challenging. Finding the wrong ones can be costly.

We are the Canadian Trade Commissioner Service—Canada's most comprehensive network of international business professionals. With over 23,000 business contacts around the world, we can help you get connected and on your way.

So put our seasoned team of international trade experts to work for you today. And see what the right connections can do for your business.
