

CANADIAN NATIONAL RAILWAYS DEBT

Mr. MACKENZIE (Vancouver):

1. What is the total present debt of the Canadian National Railways?

2. How much of the above is owing outside Canada?

3. How much inside Canada?

4. How much in New York?

Mr. MANION:

1. Long term debt:

Funded debt unmatured.. . . . \$1,276,457,206 77

Dominion of Canada account:

Loans from Dominion of Canada.. . . . \$604,406,239 42

Interest on above accrued, but unpaid.. . . . 354,173,113 03

*Appropriations for Canadian Government Railways.. . . . 405,209,240 07

1,363,788,592 52

\$2,640,245,799 29

2. As a very large proportion of the securities constituting the funded debt is in bearer form it is impossible to state how much is held outside of Canada.

3 and 4. See answer to question 2.

*Note.—This amount represents the cost of the Intercolonial, Transcontinental, Prince Edward Island lines, constituting the original Canadian Government Railways now administered by the Canadian National Railway Company. It is not debt owing by the Canadian National Railways, but is included by the railway in Dominion of Canada account to offset a corresponding amount included in the investment item on the asset side of the balance sheet.
