

Questions

now being analysed in the area for recommendations to departmental headquarters. The final decisions on these matters are made upon the analysis of public opinion as well as the scientific data available on each subject.

MAHONE BAY, N.S., DREDGING

Question No. 390—**Mr. Crouse:**

1. Has any study or survey been made during the past two years by or on behalf of the Department of Public Works, indicating the need for dredging at Mahone Bay, Lunenburg County, Nova Scotia?

2. If so, what findings have been made?

3. What dredging is considered necessary and desirable to adequately service the shipbuilding firms in Mahone Bay?

4. What is the estimated cost of such work?

5. What is the approximate date on which dredging operations will be carried out?

Hon. G. J. McIlraith (Minister of Public Works): 1. Yes.

2. The survey report is still being studied.

3 and 4. The necessity for dredging has not yet been established.

5. Not applicable.
