

2. In which provinces have the arrests been made and how many arrests have been made in each?
3. How many of those arrested under the said Order are still in detention?
4. How many have been charged with offences and what are the offences with which they have been charged?
5. How many of those arrested or detained under the said Order have been released?
6. How many have been convicted of offences under the said Order?
7. As a result of searches made under Section 10 of the said Order or Regulations what amounts of offensive weapons have been found and/or seized?
8. What is the nature of the weapons so found or seized?

Hon. Jean-Pierre Goyer (Solicitor General): I am informed as follows: 1. Three hundred and seventy-two as of October 23, 1970.

2. All above arrests were made in the Province of Quebec.
3. One hundred and ninety-eight people were still in custody as of October 23, 1970.
4. None of those arrested under P.C. 1970-1808 had been charged as of October 23, 1970.
5. One hundred and seventy-four were released as of October 23, 1970.
6. Up to and including October 23, 1970 none had been convicted.
7. Thirty-three firearms and 21 offensive weapons were seized as of October 23, 1970.
8. Shotguns, rifles, revolvers, other firearms, four bayonets, four machetes, nine various hunting knives, one sabre and three smoke grenades.

NAMES OF PERSONS ARRESTED UNDER PROVISIONS OF PUBLIC ORDER REGULATIONS, 1970

Question No. 249—**Mr. Brewin:**

What are the names of the persons throughout Canada who have been arrested or detained under the provisions of Public Order Regulations 1970 P.C. 1970-1808?

Hon. Jean-Pierre Goyer (Solicitor General): It is not in the public interest to release the names of those arrested and then released, unless they have been appropriately charged under the War Measures Act or the Criminal Code.

MILITARY ITEMS AND EQUIPMENT SOLD TO PORTUGAL

Question No. 290—**Mr. MacDonald (Egmont):**

1. (a) What was the exact nature and intended use of the automobile parts sold to Portugal between 1960 and 1969 for which \$86,360 was expended as indicated in the answer to Question Number 1,617 on October 7, 1970 (b) what was the exact nature and intended use of the radar equipment for which \$28,261 was expended (c) in detail what was the exact nature and intended use of the items purchased by Portugal for which the amount of \$51,242 was expended?

2. Has any attempt been made by the Department of External Affairs or the Department of Industry, Trade and Commerce to ascertain whether aircraft made in Canada are being employed in Portugal or any of its colonies for military purposes?

23786—57

Questions

Mr. J. A. Jerome (Parliamentary Secretary to President of the Privy Council): 1. The Department of Industry, Trade and Commerce advises that: (a) the automotive items were parts for tanks and vehicles. The parts were for use in carrying out roles within NATO. (b) The equipment consisted of spares for a surveillance search radar. The parts were for use in carrying out roles within NATO. (c) The items were accessories for us with small arms and transportation equipment. The parts were for use in carrying out roles within NATO.

2. The Department of Industry, Trade and Commerce and the Department of External Affairs have no information to indicate that there are Canadian built aircraft operating in Portugal or its colonies for civilian or military purposes.

REPORTS ON AIR POLLUTION IN WINDSOR/DETROIT AREA

Question No. 481—**Mr. Anderson:**

Is the government willing to release two reports on air pollution in the Windsor/Detroit area, entitled "Sulphate and Sulphuric Acid Levels in Windsor Air" and "The Calcium to Sulphate Ratio in Windsor Air" to medical researchers wishing to investigate deaths due to respiratory illnesses in the area?

Hon. John C. Munro (Minister of National Health and Welfare): The two reports on air pollution in the Windsor/Detroit area, entitled "Sulphate and Sulphuric Acid Levels in Windsor Air" and "The Calcium to Sulphate Ratio in Windsor Air" were tabled in the House on November 18, 1970.
