3. Approximately \$3,698,400.

4. It is believed that the United Nations does not have the same arrangements with other troop contributors as it has with Canada, but since these are the subject of confidential agreements between the nations concerned and the United Nations, Canada does not have access to such information.

DRUG PROSECUTIONS AGAINST INDIVIDUALS RESIDING IN ROCHDALE COLLEGE

Question No. 1,604—**Mr. Ryan:**

How many drug prosecutions have been commenced against persons residing at or found in Rochdale College from its opening to date?

Hon. John C. Munro (Minister of National Health and Welfare): A reply to this question would necessitate the manual search of thousands of files and the Department does not have the staff nor the funds to undertake such a project. Furthermore, this search would be unproductive since the records show only the number of prosecutions by provinces under the Narcotic Control Act and the Food and Drugs Act. For these reasons, it is regretted that the information cannot be provided.
