

28-2-22.

My grandfather - two uncles, and two sisters died with Cancer, internal, and now the doctors say it is a family complaint.

After taking the cure she wrote on the 13th of the 3rd month, I had to wear a belt, but now I am glad to say it is not needed, and the growth is rapidly coming away.

I am glad to say I am getting on well. Shall be pleased to see you if you can make it convenient to come.

-----  
9-8-22.

I am getting on well, and shall soon be young again, I am getting so well. I have my cream every morning, and ever since you were down I have an egg every morning in my tea.

-----  
24-8-22.

I am pleased to say I am ever so well, and all think I am cured now.

-----  
25-8-22.

Glad to say ever so well now, and able to go to ----- (25 miles) today.

-----  
5-9-22.

I am getting on well. Of course it is painful sometimes - one must expect it, and be thankful I got so well, for I can get about anywhere now.

-----  
3-10-22.

Have been away, and have just returned from ----- (about 70 miles).

-----  
15-11-22.

I am sorry I did not write before, but one of my grandsons met with an accident - two horses knocked him off his bicycle, and got badly cut about. They brought him here, and he was with me a month. It was a little more than I knew how to get on with sometimes, but have got over it and am myself again.

-----  
13-12-22.

You will be surprised to see I am in ----- (200 miles from home) but hope to be home in a few weeks. I am getting on very well; in fact my daughter says she never saw me looking so well in her life, and she has just turned 30.
