

Cyclists' Road Guide.

From Brantford, the home of the good Manufactures.

The Red Bird

The fastest riders' favorite wheel. The most experienced wheelmen's first choice in a bicycle.

Best To-Day
And Good for Years.

This is a bicycle that is purely Canadian. There is not an ounce of it but is made right here at home. It stands first in workmanship, first in speed, first in strength and first in beauty of finish.
