Ordered, That the Clerk do write to Mr. H. F. Perley requiring him to produce the letter-book containing all letters sent by him during the month of December, 1886, and all his diaries and private letter-books, for inspection by the Sub-Committee.

Ordered, That the Clerk do also write to the Department of Public Works, requiring the production of the letter-book covering all letters sent by Mr. Perley during the month of December, 1886.

Mr. Joseph Lachance, Quebec, was sworn, examined and cross-examined, as to the sum of \$5,000 alleged to have been given him by Mr. Laforce Langevin for the election at Three Rivers in 1887. He was then discharged from further attendance.

The Clerk reported that he had written again to Sir Hector Langevin, as directed at this morning's sitting, and that he had received from him a reply to the effect that Sir John Thompson had promised to make a statement to the Committee regarding the paper signed by Mr. Valin; that the telegrams required could not be found in the Department, and must, therefore, have been private, and that he never kept copies of private telegrams.
