REGISTERS IN EVERY STYLE OF BINDING

THE TEACHER'S BIBLE

(IN FOUR EDITIONS AND EVERY STYLE OF BINDING)

This Bible has been specially prepared to meet the requirements of Sunday School Teachers, and contains the following most useful features in addition to the sacred text.

1. Forty-five Thousand Scripture References, Emendations, and Corrected Readings in Marginal columns.
2. A complete Concordance (Cruden's) of 32,000 Scripture words and references.
3. A Scripture Atlas of 12 Coloured Maps, corrected to the latest surveys.
4. An Index of 16,000 Names of Persons, Places, and subjects occurring in Scripture, arranged alphabetically.
5. An Index to the Bible, giving all the principal events in the World's History mentioned in Scripture, with the date at which they occurred, and the passages of Scripture which refer to them.
6. Tables of Scripture Coins, Weights, and Measures, with their equivalents in English values.
7. Table of Gospel Parallels, showing the complete harmony of the four Gospels.
8. The Parables of our Lord, arranged in chronological order.
9. The Miracles of our Lord, arranged in chronological order.
10. The Disclosures of our Lord, arranged in chronological order.
11. A List of the Parables recorded in the Old Testament, arranged in chronological order.
12. A List of the Miracles recorded in the Old Testament, arranged in chronological order.
13. A Geographical Sketch of the Holy Land, with an epitomised account of its Geological Structure, Climate, River and Lake systems, and principal Cities, Towns, and Inhabitants.
14. The Physical Features of the Holy Land, showing the progress of the seasons, and the prevailing weather for each month in the year.
15. Complete Chronological Tables from the Creation to the year 1860.
16. Alphabetical Lists of the Proper Names in Scripture, with their meaning and pronunciation.
17. The Origin of the Nations mentioned in Scripture.
18. The Remarkable Hills mentioned in the Bible, a table giving their geographical position and historical interest, and the Scripture references to them.
19. Remarkable Lakes and Rivers of the Bible, with Scripture references to events of interest connected with them.
20. The Names, Titles, and Characters of Christ, arranged alphabetically, with the verses in the Bible to which they may be found.
21. The prophecies concerning Christ, and Passages of Holy Scripture relating to the Names, Titles, and Characters of our Saviour, arranged in the most appropriate heads.
22. A List of Spoken Prophecies occurring in Scripture.

THE SMALLEST BIBLE IN THE WORLD

(See Opinions of the Press.)

This Edition is printed on very thin paper; half-an-inch thick
