

## **The Brantford Stove Works,**

BRANTFORD, ONT.

*IN* issuing this **ILLUSTRATED CATALOGUE** of our Iron Stable Fittings Department, we have used every endeavour to make it a **STANDARD REFERENCE BOOK** for the **ARCHITECT, BUILDER, FARMER** and **HORSEMAN**.

The healthfulness, economy, and superiority of Iron Stable Fittings is a fact already established, and having considerable personal experience, and aided by the suggestions of Gentlemen conversant with stable furniture requirements, we are able to present you with a Catalogue of the Iron Stable Fittings we manufacture, which are unexcelled, they having gained the desirable reputation of being thoroughly **practical, durable and ornamental**. These Castings are made of the **best material** and by choice workmen, are drilled, counter-sunk, painted, and ready to screw into position. Experienced persons sent to give practical information and receive instructions and orders; also to superintend the erection of the fittings if thought necessary.
