

# \$1250 IN PRIZES

---

The City being divided in to five districts namely North, South, East, West and Centre, 150 Prizes amounting to \$250 will be distributed in each of the five districts.

The points considered in judging shall be as follows :—

*Relative to Backyard.*— The absence of all rubbish, such as cans, ashes, broken glass, straw, chips, etc. Also freedom from weeds.

*Relative to Front yard.* — Absence off all rubbish, cans, straw, etc. Freedom from weeds. Front yard in grass, and it kept trimmed.

*Relative to Exterior Improvement.*— The painting of the exterior parts of the house, such as verandahs, balconies, etc. Or if these do not need painting this year, the cleaning of them. The cleaning out of sheds. The painting or white-washing of sheds. The straightening of fences, and the painting or white-washing of same. Or the screening of them with vines or flowers.

*Relative to Flower and Vegetable planting.* — The making of flower gardens, in the front yard, and the putting of flower boxes in the windows. The making of vegetable and flower gardens in the back yard. Several beds, or vegetables, such as raddishes, beets, carrots, etc., can be made in the centre of the yard, with some flowers around the sides, along the fences. The care given to flowers and vegetables after planting.

*Relative to General Improvement.* — Consideration given to state of premises before work of cleaning-up, and planting begins.

*Relative to General Appearance of Premises.* — The judges to give consideration as to how all parts of the premises have been given attention. The contestant to win must have a well balanced piece of work.
