THE T. EATON CO. LIMITED

JAMES SIMPSON STILL EXPLAINING REMARKS

He Didn't Criticize School Staffs But Penurious Ratepayers—Technical Commission's Tour.

The royal commission on technical education has returned to Toronto from Ottawa, where a week was spent in digesting the mass of evidence already collected.

Yesterday Dr. Robertson, the chairman of the commission, accompanied by Mr. James Simpson and Secretary Bengough, visited the Alexandra Public School in the forenoon, the Jarvis Street Collegiate Institute at noon, the Normal School in the afternoon, and two of the manual training centres in the evening.

To-Day's Session. This morning a session will be held in Principal Scott's room at the Normal School for the taking of evidence from educators. The commissioners will leave to-night for Sauguis, Monday and Tuesday. The commission will then proceed to Montreal, where the industries and educational institutions will be visited, followed by sessions for the taking of evidence from Jan. 28 to Feb. 4.

The Province of Quebec will then be visited as follows: Three Rivers, Feb. 6; Grand Mere and Shawinigan Falls, Feb. 7; Quebec City, Feb. 8-9; Joliette, Feb. 10; Sorel, Feb. 11; St. Hyacinthe, Feb. 13; Victoriaville and Arthabaska, Feb. 13; Sherbrooke and Lennoxville, Feb. 14; Ottawa, Feb. 15; Ottawa and Hull, Feb. 20-22. The commission will then leave for European tour early in March.

Visited Jarvis Collegiate. At the Jarvis-street Collegiate Institute the entire staff of teachers and students assembled in a large hall and were addressed by Dr. Robertson and Mr. Simpson. Mr. Leitch, inspector of manual training for Ontario, being with the party. Dr. Robertson gave an outline of the work of the commission to date about 90 towns having been visited, and 150 formal sessions having been held. Referring to the European tour which the commission would soon enter, the speaker said he expected to find that Britain was well in advance on these subjects, although Germany has perhaps attracted more attention. He spoke of the importance of greater co-operation on the part of Canada in the work, and the necessity for plans in those directions.

Principal Embree introduced Commissioner Simpson, who made a half holiday—was there that Toronto schools being behind those of the United States had reference not to the staffs, but rather to the poor buildings and equipment, the result of the parsimoniousness of Toronto's ratepayers. It was then that Toronto woke up and provided such accommodation as would give the boys and girls of the city every opportunity for getting the best possible education.

Plenty of Playgrounds. In the matter of school playgrounds, Toronto was well off, but he hoped at an early date to see in the place of the Jarvis-street building, one more thoroughly up-to-date. He hoped to see Toronto equipped with the very best institutions for the development of the physical, mental and spiritual welfare of the young people in the city.

At the Normal School, Dr. Robert-

son addressed over 100 teachers in training, telling them of the work of the commission, and emphasizing the importance of manual training, and allied subjects for the training of the powers of observation, etc.

The distinguishing feature of this week's Sunday World is a page picture, in four colors, entitled "Now Comes the Harem Skirt." It is an original creation of the artist, and the blending of the four colors makes a very attractive frontispiece. This, together with all the other features of a forty-four-page paper, for Five Cents, from newdealers or newsboys.

WIN FOR MERSON & COMPANY.

Messrs. Geo. O. Merson & Company, chartered accountants, in their action against R. H. Thomson & Co., distillers and whiskey merchants of Leith, Scotland, to recover their account of \$462.50 for professional services, were, after a strenuous contest, granted judgment in full, with interest, from date of writ and costs. The defendants in the above action, through their counsel, Mr. G. M. Clark, refused payment on the grounds of negligence and carelessness in the conduct of the work and also because, as they claimed, of the unreasonable and excessive charges for the same. Merson & Co. were represented by W. D. McPherson, K.C., and the claim of the claim of the defendants and substantially vindicates them as accountants of ability and repute and that their charges are reasonable and proper.

Want Barbers Licensed.

KINGSTON, Jan. 20.—(Special.)—The members of the Kingston Trades and Labor Council have endorsed the proposed bill in the legislature to license barbers, and for the inspection of shops, and will ask W. F. Nickle, M. L. A., to support it.

Col. Hughes in St. Kitts.

ST. CATHARINES, Jan. 20.—Col. Sam Hughes, M.P., is spending a few days at the home of E. A. Lancaster, M.P., in this city. To-night the colonel will with Mr. Lancaster delivered addresses to a large gathering of men in the Masonic Hall, under the auspices of the city Conservative Association.

Mr. Colcock Better.

LONDON, Jan. 20.—After a critical illness, during which recovery was pronounced impossible by three eminent specialists, N. B. Colcock, agent-general for Ontario, according to to-day's bulletin, is reported to be progressing favorably.

Purity Education.

Dr. Jennie Gray will speak on purity education at a meeting of the Friends' Association in Forum Hall at 8.30 p.m. to-morrow.

Suing for Divorce.

OTTAWA, Jan. 20.—(Special.)—George M. Sutherland, dentist, of Toronto, is suing for divorce from his wife, whose present address is unknown.

SCHOOL BOARD STAFF DINE.

The third annual banquet of the board of education staff was held last evening in Williams' Cafe, and a large number of the Caretakers' Association and the board of education sat down to enjoy a good program. A. G. Carsodden, the president of the Caretakers' Association, was in the chair.

The toast to the board of education was proposed by John D. Hall and responded to by L. S. Leves, chairman of the board. All of the different members of the board, and the board of officials spoke in complimentary terms of the work of the association in the past, and stated that efficiency in the work was the crowning virtue of the employees. The meeting was well entertained by Messrs. W. T. Harrison, pianist; Willie Moore, tenor soloist, and Eddie Pigot, the popular impersonator.

Reorganize Italian Navy.

ROME, Jan. 20.—The Italian navy is to be reorganized at the expense of \$9,000,000. It was announced to-day that Minister Cattolico of the navy and the minister of the finance have arranged to ask the government for an appropriation of that amount, which will undoubtedly be granted.

Applying for a Charter.

OTTAWA, Jan. 20.—(Special.)—Application will be made to parliament this session for an act to incorporate the Sarnia, Chatham and Windsor Railway Co., which will run from Sarnia to Chatham and Windsor, with ferries-ways on the Detroit and St. Clair Rivers.

VERY SHORT AND RIGHT TO THE POINT

Frank Miller Tells Why He Recommends Dodd's Kidney Pills.

He Used Them for Rheumatism, Heart Disease and Lumbago and They Went Right to the Root of His Troubles.

ELK MOUTH, B.C., Jan. 20.—(Special.)—Frank Miller, section foreman on the railroad here, whose work exposes him to all kinds of weather, has discovered that Dodd's Kidney Pills are a sovereign remedy for those kidney ills that almost invariably follow neglected colds.

"For four years I suffered from Lumbago, Heart Disease and Rheumatism brought on from a cold," says Mr. Miller, "and I got the very best results from using Dodd's Kidney Pills. I freely recommend Dodd's Kidney Pills to anyone suffering from these diseases."

Short and to the point, that statement, isn't it? But it is just like Dodd's Kidney Pills. They go right to the point. They cure the kidneys. Healthy kidneys strain all the impurities out of the blood. Pure blood means good circulation and renewed life and energy all over the body.

This Dodd's Kidney Pills not only cures diseases. They tone up the whole body and make a man feel that he has been given a new lease of life. That's why people all over Canada are shouting the praises of Dodd's Kidney Pills.

HELL IS PLACE WHERE MEN FLING SELVES

Revivalist Chapman Sounds Further Warning Against Religious Indifference.

"Hell is not a place where God put men. Hell is where men fling themselves." This saying Dr. Chapman attributes to Dr. George Adam Smith, but as emphasized the truth of it at the meeting in Massey Hall last night.

"I believe the first step away from God is preoccupation. There are too many people in this city, as well as in my own city, who have too much concern for their money and their little concerns for the things that are eternal. This was the way Dr. Chapman described the tendency of the modern business man and woman to drift away from the church and from religion."

Upwards of 800 people were present, and the meeting was of unusual interest. Mr. Alexander, ever on the alert for novel and original ideas, was stimulating the song service, got a chorus of all the children in the audience to sing a variety of well-known hymns, "He Included Me."

Dr. Chapman's address was a note of warning to the congregation. "If any man or woman in this audience or in this city is finally lost," said he, "it will be in the fading of his money, and in spite of his longing. God is not responsible; it is you, and you alone. You never see the immeasurableness of love till you see Jesus."

The second step away from God is indifference. Everything you have in life that is worth while you owe to God—life, vision, hearing, hands to work your living and original ideas, give them all to you. And also He has been pleading, pleading with you all these years you have become indifferent."

The third step away from God is willful rejection of Jesus Christ.

Calls Are Many.

"He called you when you started to school, when you left college, when your wedding bells were ringing, when your first baby was laid in the grave, when the telegram arrived and you tore it open to read that your mother was dead. And yet you have rejected Him! God pity you. This appeal to you is not the fanatical cry of a man who only thinks you are endangered. It is God's call. Some day death will be knocking, knocking at your door, and you are unprepared. In God's name how can you be indifferent? Remember the time may come when He will lay at your calamity. He will mock when your fear cometh."

An impressive silence filled the big auditorium. Everything stated that he almost felt like pronouncing the benediction and dismissing the audience.

"To sin against God's matchless love is what Dr. George Adam Smith described as the unpardonable sin," continued Dr. Chapman. "You can sin against human love, and she comes back again and again with lagging step; but some day you will sin against human love for the last time. But to sin against God's love, where an enthusiastic 'after meeting' was conducted by the evangelists. Scores of people again pledged themselves to begin the Christian life."

The service in Massey Hall to-night will be largely a song service, available to that of last Saturday evening.

Service in Jail. Not every afternoon under his surveillance to enjoy the privilege of a gospel service, but yesterday afternoon Mr. Asher, accompanied by the district chorus leaders, Messrs. Warner, Allen, Smith, Weaver, Saxton and Mrs. Saxton, visited the commodious quarters over the Don, where Mr. Asher con-

Evangelistic Meetings To-day. 7.45 p.m.—Mass meeting at Massey Hall; Dr. Chapman and Mr. Alexander and all evangelists and singers present.

There will be reports from all districts.

Dr. Chapman's subject: "The Broken Family Circle."

For Sunday there will be special meetings in Massey Hall and throughout the city.

The committee in charge of the special service for the aged desire to have the names of all who are willing to furnish automobiles or carriages for use next Tuesday afternoon for the purpose of bringing aged and shut-in people to this service. This information should be written to the committee at Massey Hall, or telephoned to Main 516.

Conducted a specially-arranged service to about 150 men, who were gathered in one of the dining-rooms, and who entered into the spirit of the service most heartily. The quartet sang several selections, but one which seemed to make the most impression on the men was the song made immortal by Sam Haly, "I Love Him," set to the tune of "Old Black Joe." Mr. Saxton sang a bass solo, "Somebody Knows," which had a telling effect on the faces of his listeners.

Mr. Allen sang "The Jesus," and his reward was the touching sight of men, in the absence of handkerchiefs, used their rough coat sleeves. Mr. Asher then emphasized that the Gospel is the power of God unto salvation to every one that believes.

After this service some twenty men declared their desire for prayer and to begin to serve Christ.

At the close of this service a special request came from the women's department, that they have a share in the afternoon service in their own quarters.

Suffered for Years From Constipation and Sick Headache.

Headache seems habitual with many people; indeed, some are seldom, if ever, free from it, suffering continually, and wondering why they can get no relief.

The most frequent of all are bilious or sick headaches, and are caused by some derangement of the stomach or bowels, or both.

Burdock Blood Bitters regulates the digestive and biliary organs, removes acidity of the stomach, improves digestion, regulates the constipated bowels, and promotes a perfect circulation of pure blood to all portions of the body.

Mrs. C. Meadows, Clarksburg, Ont., writes: "For years I was troubled with sick headache and dizziness, and was also afflicted with Biliousness. I only took three bottles of the medicine, and now feel like a new person as I am completely cured. I can truthfully testify that B.B.B. is the best medicine I have ever used."

Burdock Blood Bitters, has, during the last 25 years, built up an unrivalled reputation as a cure for all troubles arising from a constipated condition of the bowels.

IMPORTANT CHANGE IN EXPRESS RATES

When Handled by More Than One Company There Will Be No Difference in the Charge.

NEW YORK, Jan. 20.—Officers of Canadian and American express companies, in conference here to-day, announced to-night a reduction in thru rates soon to take effect between all offices in the United States and many in Canada. It is explained that several of the Canadian companies have held back up to the present, because the customs regulations at the Canadian border necessitate, so much extra work that a reduction in existing rates would in many cases work a hardship.

All the important companies were represented, including the Adams, Canadian, American, National, Northern, Southern, Western, Pacific and United States Express Companies. Wells-Fargo & Co. and the New York and Boston Despatch. The announcement made follows in part:

"Instead of two companies which may handle an express package making a separate charge on each line, the charge will be the same as if one company had carried the package from shipping point to destination."

Sinking Spells Every Few Days

"At the time I began taking Dr. Miles' Heart Remedy I was having sinking spells every few days. My hands and feet would get cold; I could scarcely breathe, and could feel myself gradually sinking away until I would be unconscious. Those about me could not tell there was life in me. After these spells I would be very weak and nervous, sleepless and without appetite; had neuralgia in my head and heart. After taking the remedy a short time all this disappeared and in a few weeks all the heart trouble was gone."

MRS. LIZZIE PAINTER
803 1/2 3d Ave. Evansville, Ind.

For twenty years we have been constantly receiving just such letters as these. There is scarcely a locality in the United States where there is not some one who can testify to the merits of this remarkably successful Heart Remedy.

Price \$1.00 per bottle. He should supply you. If he does not, send price to us, we forward prepaid.
