The T. and D. Council held a meeting the Labor Temple last night. Entries The T. and D. Council held a meeting in the Labor Temple last night. Entries from new clubs were received and general routine business transacted. The examining board met and went over the cradentials of thirty referees, and test papers were given to each to fill out. The board by only placing referees of the hignest stancard on their list hope to enforce more rigidly the rules, and thus prevent any rough play from marring the game of soccer in Toronto. As the referees of the T. and D. are generally appointed to handle most of the important games thruout Ontario, the competition is pretty keen amongst them to be classed as Al on the league's list, and the result of the examination is being anxiously waited for.

The entertainment committee reported progress, and the outlook for a bumper concert at the Labor Temple on Good Friday is exceedingly rosy. Manager Jones of the British United Club reports all well from his training camp.

Archie Fisher has charge of the arrangements.

The attention of all clubs is called to the general meeting to be held on Monday, April 1, in the Sons of England Hall, Berti and Richmond streets, at 8 p.m. As the entries close on that date, entry and guarantee fees must be posted with the secretary before or one that date. Forms, rule books, etc., may be had from the secretary, or they will be mailed on application. Phone N. 763 in the evening.

G. Wallace of Eatons expects great things from his string this season.
