

PLAYS, PICTURES AND MUSIC

George Arliss Coming. An engagement of the greatest interest to the many playgoers who demand the best in dramatic art will be the coming of Mr. George Arliss and his group of brilliant associate players at the Princess next week in a most noteworthy double bill that has for its first part a revival of Hubert Henry Davies' comedy, "The Mollusc," and for its second, Sir James M. Barrie's latest bit of dramatic wit, "Well-Remembered Voice." Mr. Arliss this season is under the direction of George C. Taylor, who has surrounded him with a particularly brilliant corps of players. In the supporting company are Viva Birkett, Philip Merivale, Olive Tell, Mrs. Arliss, George Wright, June and Harry Halliday. Matinees will be given on Wednesday and Saturday.

Harry Lauder Next Week. Harry Lauder's double bill at the Royal Alexandra opens Monday night. The engagement of the famous Scotch comedian covers a period of ten performances—six evening and four matinee. The first matinee is scheduled for Wednesday, and afternoon performances will follow daily during the week. "The Think I'll Get Wed in the Summertime." Several of the old favorites will be revived. The company with Harry Lauder are the three Kitamura Brothers, acrobats; Julia Curtis, impersonator; Bert Melrose, in "Fun in Silence"; the Act Beautiful, a novel animal act; the Children of Confucius, a Chinese number, and, inevitably, Lauder's own Highland pipers. "My Honolulu Girl-Grand." The latest novelty in musical offerings is "My Honolulu Girl," which will be given its first presentation in Toronto at the Grand next week. With the same company of principals as has been identified with its success in the leading American cities, the production comes highly recommended for its entertaining qualities. The principals are clever, and the chorus gives the various dancing and singing numbers a novel and original touch. The atmosphere of the Hawaiian Islands is accentuated by the appearance of a group of native singers, dancers and instrumentalists, headed by Henry Ahena and Babe Lopez, native performers who have a high standing in the amusement world. During the week the special house sale of popular prices will prevail, and matinees will be given as usual on Wednesday and Saturday.

At the big vaudeville house next week Sheagors will see one of the biggest and best bills of the season, headed by the great dancing comedienne, "Hands Across the Sea," which Simon Neary, with a company of fifteen singers, dancers and musicians, brings to the stage. The special extra attraction on the bill for the week are Kate Elinore and Sam Williams in a "Reel of Real Fun," headed by the Hearty Bergamas, always delightful, and have never appeared to better advantage than in their present act. "A Ray of Sunshine," the greatest dancing comedy in what they call "Dancing Odds and Ends," the Klein Brothers are to be seen in a skit entitled "Ain't It Grand?" The Costello Brothers, in their evolution wheel; the Wilton Sisters, dainty entertainers, will be heard in a delightful program of exclusive songs.

At Lew's Theatre. "Big Bill" Hart, the peerless portrayer of rugged western roles, comes to the Grand next week in "Branding Broadway," in which he appears in a dress suit for the first time on the screen. The Grand next week will feature "Famous Canadian Battalions in France," presents the 7th Infantry Battalion of British Columbia. The bill embraces the famous, the Golden Troupe, a rare combination of European entertainers, in "varied vaudeville oddities," and the character actors, and peer of all western character actors, will be featured at the Grand next week in "The Shearers' Hippodrome," in which he will be seen in the latest Victory picture, "Fame and Fortune." It is replete with thrills and excitement from beginning to end. Frazer Hinesley and Company head the vaudeville bill with a bright little comedy playlet that has plenty of fun, wholesome fun, and a singing and dancing melange, while Gold, Reese and Edwards, three singing comedians, have a number of the season's newest songs. Leo Sarrell and Company, in acrobatic feats; Gualiano and Marguerite, Hawaiian songs and instrumental numbers; John P. Clarke, monologist; and the Pathe news and comedy, are also included in the bill.

"Cheer Up America"—Gayety. The offering at the Gayety Theatre, commencing Monday of next week, will be Max Spiegel's all American military review, "Cheer Up America," produced by Private William H. Smith, who staged the national success "Yip Yip Yaphank," for the boys at Camp Upton. "Cheer Up America" comes as an entire new production, with faces, scenic and costumes, while the music has been specially written by Mr. Nat Osborn. The cast are: Frankie Niblo, "The Cheer Up Girl"; Edward Lambert, Leo Hayes; Betty Powers, Lucille Ames. The California Trio and James Hill. "Auto Girls"—Star. Next week's attraction at the Star Theatre, starting with the matinee Monday, will be the new Broadway Simonds and Lake's "Auto Girls," in the merry musical burlesque entitled "At Hug's Hall," featuring Carol Sherwood, Billy Wild and James Hill, Lake, supported by Anita May, Jim McCauley, Billy Hallman, Seymour James, and Rose Hill and a large girly chorus. Nazimova at Regent. Next week the Regent will present Mme. Nazimova, the celebrated Russian actress, in one of the strongest plays in which she has ever starred.

SCOTIAN TROOPS ARRIVE ON TIME

Ten Officers and Three Hundred Men Had Pleasant Trip.

Early yesterday afternoon a troop train, bearing 10 officers and 211 men, who came over from the S. S. Scotian, which docked at St. John on Wednesday, drew into North Toronto station on schedule time. On the platform to welcome them were Brig.-Gen. Gunn, Major Goodwin Gibson, Mayor Church, Col. Dodge, Captains Richardson, Jago and Hunter and a number of the city's high civic officials. The main rotunda of the station was crowded with anxious relatives and friends and when the 174 men who were for Toronto came down the train, bearing men from the Metagama, will arrive at North Toronto some time this afternoon. From all accounts the voyage across the ocean was at the least bearable, as the men had no words of complaint. Several of them spoke of the trip as being the most pleasant in St. John by the Y.M.C.A. The public are requested to bring their cars to the station, ready to take the men and their families to their homes when the men arrive today. Owing to the shortage of cars yesterday some were compelled to wait until the autos returned, or left with their families on the street cars.

IDA AT THE TROOP TRAIN

BY IDA L. WEBSTER.

Yesterday we got hit with the brilliant idea that we would like to go out to North Toronto station and welcome home a troop train. You know that feeling of old pride which even the most crumpled of us contract now and again. In most cases something horrible happens when you act upon such an impulse, and we were not any exception. The train was to arrive at 11:30 a.m. on Tuesday, and we were to have a house full of them before they got to the station. There are those among us who have to have a house full of them before they get to the station. There are those among us who have to have a house full of them before they get to the station. IMPORTANT NOTICE TO THOSE WITH WEAK, FALLING, DULL LIFELESS HAIR

7-Day "Harlene Hair-Drill" Home Outfits FREE TO ALL.

Nothing else in Nature stands still, you go forward or backward. Thus, your hair, like your health, is constantly growing. It does not recognize that "unhealthy" is the word to apply to their own hair. Even more than the health of the body, even more than the health of the mind, women are those who watch day by day the growth of their hair and every day take stock of their hair and every day take stock of their hair and every day take stock of their hair.

MADE IN CANADA. The forty-third annual meeting of the Toronto General Relief Board, independent Order of Oddfellows, was held in the temple, College street, Thursday evening, with a large attendance of representatives from the thirty-three affiliated lodges. The retiring president, Albert E. Tyler, reviewed the work of the past year, the report of the secretary showing that over two hundred cases of sickness and distress had been dealt with, and about \$600 distributed for the relief of same. The number of districts was increased from nine to fourteen, and a chairman will be appointed for each.

ENSURE YOU KEEP YOUR GRAY HAIR

You Can Bring Back Color and Lustre With Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it does so naturally, so evenly. Preparing it is simple, though at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and after another application or two, your hair becomes beautifully darkened, glossy, luxuriant. Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive hair, taking one small strand at a time, by morning all gray hair disappears, and after another application or two, your hair becomes beautifully darkened, glossy, luxuriant.

SOCIETY

Conducted by Mrs. Edmund Phillips.

The ball last night in the King Edward of the Lord Nelson Chapter, I. O. O. E. was a magnificent success, and did great credit to the youthful regent, Mrs. Carlye McGill and her committee, who always bring the right people together at their entertainments—namely, the money, which is such an important point in patriotic parties. Over 900 tickets were sold, and most of the purchasers were present, and the program was the gift of Mr. Frank Wilson, and bore the picture of Lord Nelson on the back. The regent received with Mrs. A. E. Gooderham, president of the order; also receiving were Mrs. Norman Young, and Miss Phyllis Hayes. The exquisite floral decorations and arched tables decorated the tables were sent from the Casa Loma conservatory by Lady Pellatt.

ANNOUNCEMENTS

Notice of future events, not intended to raise money, 10 per word, minimum 50c; if held to raise money solely for Patriotic, Church or Charitable purpose, 40 per word, minimum 25c; if held to raise money for any other than these purposes, 50 per word, minimum \$2.50.

STEEDEMAN'S SMOOTH POWDERS

Contain No Poison.

At the King Edward before the ball last night. Miss Jean Caulfield has left for Montreal and will be the guest of Miss Jessie Clark, Westmount. Mrs. W. D. Galbraith and the Misses Gelbraith have arrived at the Westmount from Newcasale and will be in Montreal for the next six weeks.

FAIRBANKS IN "ARIZONA" WITH SPLENDID CAST

Headed by Douglas Fairbanks, in the role of Lieut. Denton, U.S.A., a superlative cast will be seen with the popular star in "Arizona," which is playing at the Allen next week. Mr. Fairbanks is supremely suited to the role of the hero of Augustus Thomas' famous play, which is still among the most popular whenever it is revived or seen in stock. His buoyant, care-free, sincere and daring personality seems to especially fit him for the role of the dashing young officer, who is declared by his colonel to be the finest aviatorman who ever sat a saddle. In the role of the humorous, open-handed and good-hearted rancher, Canby, that versatile actor, Theodore Roberts, will be seen. It is patent on the slightest consideration that Roberts is one of the very few men fitted to portray the part, and needless to say he has done it more than justice.
