A Lively Scene.

The grounds at the foot of Bench-avenue were thronged afternoon and evening, fully 2000 people being on the spot. A great business was carried on in the sale of ladies work of all kinds, refreshments, ice cream, grab-bags and the like. The bachelors were very much in evidence on the grounds. They gan a variety show and art gallery, which metted a clean \$100. Although the receipts at the various tables have not yet been counted up, it is understood that the total income footed up to a very handsome figure. which is under the direction of Rev. H. C. The large number of people present speaks volumes for the popularity of those who got up the party. A word of praise is due to the residents of either side of Beachavenue, With one accord they filluminated their houses and grounds, each one trying to outshine its neighbor. Hundreds of Chinese lanterns hanging from the trees transformed the scene into a veritable fairy land. The effect was very pretty, indeed, and was highly commended by every one who saw it.

A Successful Medicine.—Everyone wishes to be successful in any undertaking in which he may engage. It is, therefore, extremely gratifying to the proprietors of Parmelee's Vegetable Pills to know that their efforts to compound a medicine which would prove a blessing to mankind have been successful beyond their expectations. The endorsation of these pills by the public is a guarantee that a pill has been produced which will fulfil everything claimed for it.
