Practically every man and woman in the world today suffers from lack of red corpuscles in the blood. The lack of them is responsible for a great many ills. Nervousness, anaemia, kidney trouble, sleeplessness, women's ailments, backaches, lack of ambition, loss of strength in men, loss of memory, thin or watery blood, impure blood, nerve and muscle twitching, shortness of breath, palpitation of the heart, indigestion, dyspepsia, cold extremities, numbness and lassitude or any form of physical decline, are all traceable to lack of good blood. Iron taken in the proper form is the great remedy for all these troubles. Any physician will tell you this, and will recommend Iron in capsules for your trouble, because Iron makes good

Tonal Iron Capsules are easy to take. There is absolutely no disagreeable taste to them. They are without a doubt the greatest medicine on the market. Nothing has been seen before like them. And they are working wonders. Hundreds of people are already using them and
