Adams 'Spring Opening' Sale of Home Furnishings Provides Unequalled Economies for Everyone

The demonstrations of approval on the part of the thousands of home lovers who visited us during the past week-seeing, admiring and learning-gave evidence of the fact that this store's efforts to have the best things for the home that are obtainable, have been eminently successful.

No better proof of this could be offered than the tremendous trading done here since the big Opening Sale began, the selling this week has been remarkable.

With everything new and "fashionable" to pick from-with prices cut generously on hundreds of beautiful pieces, and the privilege of buying anything or any amount that you wish and arranging for an extended period of time to pay for your purchases-makes the present buying opportunity one that no thrifty home provider can well afford to miss.
