

Good Things Coming
to
Theatres of St. John

AT THE OPERA HOUSE
If you have not seen The Handals at the Opera House in their sensational feats of rifle and pistol shooting, better not let the opportunity slip, for it is a wonderful act and everybody in town is talking about it. Then there are Peppino and Perry, two young clowns in a musical act that is a real treat for the music lover, Bert and Lotie Walton offer some clever step and eccentric dancing that is worth while while Stacey and Norton present a bewildering whirling array of hoops and hats that astound and amaze by the dexterity with which they are manipulated. One other act and the thirteenth chapter of The Crimson Stain Mystery complete one of the best assorted and entertaining vaudeville programmes that has been seen in St. John this season. Two shows tonight, at 7.30 and 9.15, and every afternoon at 2.30. Some little prices for all. There will be two complete performances on Thursday afternoon, Victoria Day, and the usual two at night.

CANADIAN SOLDIER'S LETTER

Says Dr. Cassell's Tablets Have Kept Him Fit Through Two Wars

Sapper A. Hartley, of the A. Company Canadian Engineers, whose home address is 906 Trafalgar street, London, Ontario, is one of many who have written in praise of Dr. Cassell's Tablets. He says: "As a constant user of Dr. Cassell's Tablets, I would like to add my testimony to their value. I used them when I was in the South African war, and, finding the benefit of them there, have taken them since whenever I felt run-down. I always recommend them, for I know that they do all that is claimed for them. In my opinion they are the best tonic anyone can take for loss of appetite, poorness of the blood or general weakness of the system."

A free sample of Dr. Cassell's Tablets will be sent to you on receipt of 5 cents for mailing and packing. Address: Harold P. Ritchie & Co., Ltd., 10 McCaul street, Toronto.
