KING'S FUNERAL SEEN BY THOUSANDS AT NICKEL

The Nickel Theatre was attended by thousands of citizens yesterday

and evening when the motion pictures of King Edward's funeral were the chief attraction

of the entertainment. Richard Harding Davis' Van Bibber story, Her First Appearance, with a fine actress in the leading role, was the leading feature

of the evening. There were also a Biograph and comedy film.

Of the motion pictures illustrative of King Edward's obsequies, it can be said that those who were evidently impressed with the solemn splendor of the occasion

especially in that section where at Windsor station a large detachment of trusty blue-jackets paid final homage to their monarch in hauling the royal casket

to the crown of the empire and insignia of kinship to St. George's chapel. The royal mourners, his late majesty's charger and pet pig, the crown mother in her coach, King George V. and his boys, England's famous general, President Roosevelt, the United States, a grand military spectacle, the sorrowing crowd and mournful England, were likewise depicted, much to the interest of the spectators.

This year film will be continued at the Nickel today and all day Wednesday and proceed to the streets of the city. The picture will be shown King Edward's funeral procession to Westminster on June 20, 1910, when the crown of England was placed upon his head.

SPORT NEWS OF A DAY; AT HOME AND ABROAD

Wilson Mizner, manager of Stanley Ketchel, has just accepted terms from Jimmy Coffey for Ketchel to meet Billy Papke in a 25-round bout at Coffey's open air club at Colma, Cal., on June 23.

Mizner says that he and Ketchel will start for California as soon as he receives the transportation from Coffey. Ketchel will first fight "Jack" Twin Sullivan 12 rounds at the Armony A. A. of Boston on June 7.

In a 25-round battle Pal Moore of Philadelphia and Jimmy Walsh of Boston, will meet before the army A. A. of Boston tonight.

Knockout Brown, the east-side New York lad, who takes delight in fighting often as his manager, Danny Moran, can secure bouts for him, will have to lay off for two weeks on account of a badly wrenched knee, which he received by his leg turning under him in the tenth round of his bout with Charley Griffin at the Olympic A. C. of Harlem. Griffin is also laid up with a dislocated shoulder which he got in the seventh round.

Danny Webster, the California boxer, is no longer a contender for the bantamweight title. Danny, who has fought many good fights in California, has just announced that he is unable to do the bantamweight limit any more, and will let the others battle it out for the title.

Out on the Pacific coast Sandy Ferguson will get another start. Johnny Glover of Burns. The latter is a tough fellow, but if Sandy is near right he should win and has the inside for a battle with Landis, which was really the reason why Sandy was sent to California.

Boxing this week and tonight—Pal Moore vs. Jimmy Walsh, 12 rounds; Young Reardon vs. Frankie Moore, eight rounds; Johnny Glover vs. Young Sticksy, eight rounds; Armony A. A.; Sandy Ferguson vs. Jack Burns, Los Angeles; Cy Fynn vs. Sailor Tagher, Philadelphia; Tom Overly vs. Jim Johnson, Philadelphia.

Wednesday—Jimmy Clabby vs. Bob Moha, Milwaukee; Maurice Lemoine vs. Frankie Moore, Philadelphia; Saturday—Young Sticksy vs. Jack (Twin) Sullivan, New York (probable); Johnny Dehan vs. Harry Martin, New York; Loughey vs. Terry Martin, Young Men's Club, Brooklyn.

Saturday—Bouts at Pastime A. C. Port, McFarland and Welsh Draw.

London, May 30.—Packer McFarland, of Chicago, and Freddie Welsh, the British lightweight champion, met at the latter's draw tonight before the National Sporting Club. The fight was for a purse of \$200 and a side bet of \$100.

McFarland had much the better of the fight. He led all the way, knocking his opponent against the ropes repeatedly and forcing the fighting in every round. The verdict of the referees was a unanimous decision in favor of the favorite at the opening of the contest at 7 to 4, but before the fight was over the sympathy of the crowd was wholly with the American.

Gin Pills Cured Him.

Annapolis, N. S., May 14, 1909.

I am over 80 years of age and have been suffering from Kidney and Bladder trouble for fifteen years. I took Dr. Williams' Pink Pills for Pale People and in a few days I was able to get up some nights every three or four days and had no more pain. I took 100 pills and now I can live in my bed for five days without getting up. I can say that Gin Pills cured me.

Thank you for your timely help. I am your true friend and well-wisher.

To Save Trouble

When the housewife is preparing home made dishes with cold meat, which has been left over, she tries to give a new relish to the dish by adding various kinds of spices and flavorings. How frequently the result is a failure! Just a little too much pepper and the dish is too hot, or a slight error in the mixing, and one particular flavor drowns the others.

The wise housewife, therefore, has made up her mind that the best way of flavoring all made-up dishes, soups, etc. is to have a bottle of the Relish. It is so handy, it is useful in so many ways, that a few drops in the soup, or with hot or cold meat, fish, or even bread and cheese, it is delicious and gives quite a new enjoyment to the meal.

Did you ever hear of a man's good behavior getting him into trouble?
