

## HALF PRICE AND LESS GETS CROWD GOING TO HUNT'S

The whole city seems to be making a dead set for the Hunt bankrupt sale of men's and boys' clothing and furnishings. To say that hundreds attend every day is putting it mildly. Clerks by the score have been hired to cope with the crowd and with good reason.

The Hunt merchandise has a good reputation, and when the prices are cut down below half it means much to every type of earner. The very best of furnishings are stocked, together with that suiting the working man, and a total of \$40,000 worth, so the supply is strong. Well known brands are featured at a fraction of the regular retail price of today, and it looks like a big week for hunters of bankrupt bargains. The store is open every night until ten o'clock and tailoring orders are being taken at special reductions by Mr. James Paterson.

### NEW SENATOR ADVOCATES GOVERNMENT OWNERSHIP

Litchfield, Minn., July 30.—Several thousand people attended a meeting at Litchfield Saturday afternoon to celebrate election of Magnus Johnson to the U. S. Senate.

Senator Eliot Johnson spoke and advocated stabilization of farm products prices by Congressional enactment and government warehouses in which to store at least \$500,000 bushels of wheat to be owned by the government.

### METHODISTS MAY DROP DANCE BAN

Theatregoing and Card Playing Also to Be Allowed, Says Minister.

Chicago, July 30.—The ban against dancing, theatre and circus going, and card playing in the Methodist Church will be lifted by the union of the Methodist Episcopal Church and the Methodist Episcopal Church, South, which now seems a practical certainty, according to the Rev. E. Robt. Zaring, editor of the Northwestern Christian Advocate. With the abandonment of the restriction will go the prohibition against allowing actors and dancing teachers to join the Methodist Church.

Dr. Zaring received a copy of the proposed new constitution for the union of the two branches, which was adopted by the Joint Commission in session in Cleveland.

Dr. Zaring received a copy of the proposed new constitution for the union of the two branches, which was adopted by the Joint Commission in session in Cleveland.

"The Methodist Episcopal Church South has never had a law against popular amusements," said Dr. Zaring. "Many in our branch of the church, including practically the entire Board of Bishops, favor making the question of amusements a matter of advice and not of law."

"If the two branches of the church come together, it is certain the law would not be imposed on the former members of the Church South and would therefore not find a place in the new discipline of the united church."

SCORES EAGER TO BE HEIR OF PRINCESS Apply in Doves for Titled Job in Response to Ad.

New York, July 30.—Scores of ambitious young Americans, eager for a title, have applied at the law offices of Campbell & Boland since the appearance of an advertisement for an heir, made by a princess of an important European kingdom.

The application came from all directions and in every possible manner. Telephone girls at the law offices were

kept constantly busy informing prospective heirs that all applications must be put in writing, while each incoming mail brought in new batches of correspondence. A few, more eager than the rest, ventured to call in person.

### Piles

are usually due to straining when constipated. Nujol being a lubricant keeps the food waste soft and therefore prevents straining. Doctors prescribe Nujol because it not only soothes the suffering of piles but relieves the irritation, brings comfort and helps to remove them. Nujol is a lubricant—not a medicine or laxative—so cannot gripe. Try it today.

That which we may live without, we need not covet.
