Mr. Simard said that at the port of entry, Montreal, the commission run a control station where every bottle of wine is examined before it is accepted.

"And," he continued, "we find it difficult to keep men working there. Thoe who faste the wines soon get a hardened taste which makes them useless for the job."

## HEART WOULD BEAT Reading ..... Trip Hammer St. Paul ...... 2834, Southern Pacific ... 921/2

Heart trouble has of late years become very prevalent. Sometimes a pain eatches you in the region of the heart, now and then your heart skips beats, palpitates, throbs, or beats with such rapidly and violence you think-it is going to burst.

You have weak and dizzy spells, sinking sensations, are nervous, irritable and depressed, and if you attempt to walk unstairs or any distance you get all out of breath.

### Cotton is King

It is fundamental to domestic life. Every man, woman and child is wearing or using some article wholly or partly made of cotton. Demand for cotton goods is unceasing, and increases constantly with the rapid growth

Earnings of well-managed Canadian cotton textile companies are therefore unusually stable, and mortgage securities of the industry constitute sound investments. We offer the 7% Bonds of The Wabasso Cotton Company, Limited—one of the largest and best known manufacturers in Canada of white cotton fabrics—at 100 and accrued interest, to yield 7% for 20 years.

Our circular on the issue fully describes the exceptional security behind these bonds. Write for a copy.
