n Originality, Quality and Scenic Effect the 1920 Attempt Will Be Truly Wonderful,

For catchy songs, snappy choruses and subbling wit and humor, the annual ue of the Loyalist Chapter, I. O. D. has always been famed, but this ear's attempt, the "1920 Revue," promes to exceed anything heretofore under-

From the time the curtain rises on the eautiful and elaborately staked progue, until the closing chorus of the final umber, the programme is one continuus succession of delightful surprises. Huge reptiles turning into fairy but-rflies; Orpheus and his Lute; galaxy f song and beauty, in solos and chor-ses and The Country Fotygraf Album, re only a few of the many attractions

The closing number—a high class muscal skit, "Oh, Omar, you're Awful," vith its magnificent. Eastern setting is not only a "scream," but bids fair to outlass anything in vocal talent staged here

## UNIQUE THEATRE

SUFFERS DAMAGE Traffic was impossible in Charlotte street for some time last evening because of hundreds waiting for the eighthirty showing of "Auction of Souls." Although four burly policemen did their skilful best, the charging crowd could not be restrained, and the result was a languaged theater front and broken glass. at the restrained, and the result was a tamaged theatre front and broken glass, which today presents an eloquent monument to the popularity of the subject hown. Repairs are being effected, however, and "Auction of Souls" will be presented four times daily during the intire week.

MAY CUT EXPORT OF COTTON FROM UNITED STATES

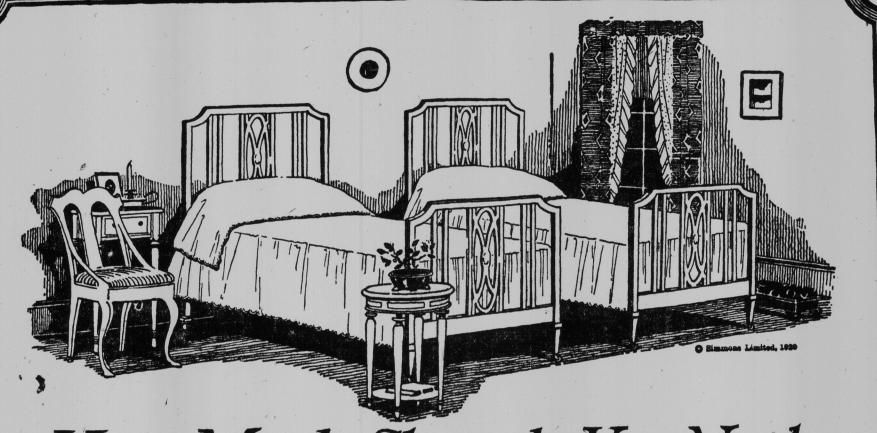

Indications of This Because of the International Exchange situation.

Washington, Feb. 10—Indications that England's inability to purchase American cotton because of the exchange situation may mean a virtual cutting in malf of the United States' export trade in cotton are shown in statistics issued yeserday by the department of commerce. More than fifty per cent. of the cotton exported by the United States during the five months ended with December vent to England. France stands second to England as a market for American cotton, and Japan third, but the deartment of commerce experts assert that little of the surplus which will follow the closing of England's ports to there of the other countries. # How Much Sleep do You Need

The great common sense of the human race says-"Go to bed when you're tired; get up when you're rested"

depends on how "deep" you sleep. If you are only about half asleep all night, waking at every little sound, you can stay in bed twenty-four hours and still need sleep.

Sleeping soundly is a matter of getting perfectly relaxed.

Nobody can sleep soundly in a bed that rattles or squeaks, as most beds do. What you need for deep, sound sleep all night is a perfectly quiet bed and a spring

that invites complete relaxation. That is why people sleep so much better on a Simmons Metal Bed and Waldorf Box Spring, with Simmons Mattress and

THE Simmons Metal Bed is noiseless. It locks firm at the corners. The corner locks are made of pressed steel - have much longer bearing surfaces than the average - fit true and snug - not a creak,

rattle or feeling of unsteadiness. The Simmons Pressed Steel Corner Locks are protected by basic patents. They are the most fundamental inventions of modern bed manufacturing-exclusive with Simmons Limited, not to be duplicated or made possible the Three-piece Bed - the new Simmons idea - the spring forming a single unit with the side rails.

THE Waldorf Box Spring really does what you have always wanted a spring

It invites complete relaxation.

It supports the body at ease on fine resilient spring coils - each coil conforming freely to the contours, so that the spine is perfectly rested, whether one sleeps on the back or on the side.

Simmons Waldorf Box Spring is covered with ticking of the finest grade and great wearing qualities, in new and attractive

It fits firmly on the bed - is noiseless never sags or humps, never loses its resil-

And to make the sleeping equipment complete, Simmons Limited produces Mattresses and Pillows worthy to go with Simmons Metal Beds and Waldorf Box

If you have given much thought to sleep it will interest you to know that Simmons Limited are specializing in Twin Beds.

TUST how long it takes to get rested And these patented corner locks have The Twin Bed is unquestionably the most advanced thought of the time - welcomed by nice people everywhere.

Physicians are urging a separate bed for everybody. One sleeper does not disturb the other or draw on the vitality. Colds and other infections are not communi-

THE hard work and nervous strain of these days are forcing attention to

Simmons Metal Beds, Waldorf Box Springs, Mattresses and Pillows are what you are looking for. They invite sleep.

You will find them in your leading deal-

You have choice of beautiful styles in brass - and in enamel in colors and natural wood effects. The prices are no higher than for ordinary beds.

And when you are selecting your Simmons Beds with an eye to their appearance in the room, you will see that Simmons has for the first time established beautiful and authoritative design in Metal Beds.

If you do not know the Simmons Merchants in this section, we shall be glad to send you their names.

### **Fat That Shows** Soon Disappears

Preminent fat that comes and stays where it is not needed is a burden; a hindrance to activity, a curb upon pleasure. You can take off the fat where it shows by taking after each meal and at bedtime, one Marmola Prescription Tab-let. These little tablets are as effective and harmless as the famous prescription from which they take their name. Buy and try a case today. Your druggist sells them at \$1., or if you prefer you may write direct to the Marmola Company, 864 Woodward Ave., Detroit, Mich. You can thus say good-bye to dieting, exercise and fat.

This stock is issued by one of the world's greatest industrial enterprises, with an established record for earnings and ample physical assests.

May we furnish you with particulars?
