THE FREMEN AND LABOR PARADE

Some people get their indignation quickly. Several of our papers are showing signs of indignation over the annual parade in the Labor Day parade.

Let us state the position of labor in this matter as we see it without referring to the advisability of having the men turn out.

Not very many years ago a great many of the brigade were of the opinion that they would like to take part with the labor men in their parade and show the citizens just what kind of a brigade they had.

Let us state the position of labor in this matter as we see it without referring to the advisability of having the men turn out.

Not very many years ago a great many of the brigade were of the opinion that they would like to take part with the labor men in their parade and show the citizens just what kind of a brigade they had.

Let us state the position of labor in this matter as we see it without referring to the advisability of having the men turn out.

Not very many years ago a great many of the brigade were of the opinion that they would like to take part with the labor men in their parade and show the citizens just what kind of a brigade they had.

tion should send its most eminent men to the local representative meeting to the inquiry of this method of tax.
