CHATHAM, THURSDAY, JULY 26, 1877. The New Brunswick Loan and Mort-

gage Society.

On the evening of the 17th, the Com-Church School Building.

The following resolution was moved by to laugh. Mr. Wm. Elder, seconded by Mr. W. W.

Turnbull, and adopted:

"That it is the opinion of this meeting that the Government of Canada should be asked to guarantee a loan of £400,000 sterling, to be employed, through approved agencies, towards the rebuilding of St. John, such sum to be secured on first mortgages and lent at a rate of interest not exceeding six per cent; and further that the New Brunswick members of the Government be requested to take the sense of the Government of Canada on the subject; and further resolved, that a committee of six be appointed to correspond with the New Brunswick members of the Government on this subject, and report their answer to the Committee last named." Turnbull, and adopted:

which it will be impossible to obtain inbe wise for traders to form a mutual insurance fund by placing in the hands of trustees, the amount that they would require to pay as a year's premuim in an surance company. He says "the liabilities of members would ccase with the payment of their share of the fund. should the capital be exhausted by two or three fires, the society could be closed or an assessment could be made after each

THE PAPAL ABLEGATE. - The Minerve is formed that Mgr Conroy will visit the Saguenay shortly, returning to Ste. Foy, where he will take up his residence per-

A CURIOUS LAW. -There is a curious Canadian law whereby a man going on oard a vessel in harbor without leave incurs two year's penitentiary. A Norwegian lad of 17 who recently went over a ship's side at Quebec to get a drink experimented and found it so.

GOVERNMENT EMPLOYES DISCHARGED .-The general staff of clerks, messengers, that cometh late into market; etc., of the Intercolonial and Canada Pacific Railway offices at Ottawa have received notice of discharge after 1st August. One month's extra pay is to be allowed each person on leaving.

And the lady grasshopper maketh straightway her nest "down in the cornfield";

And in the wheat-stubble; ANOTHER TIDAL WAVE -A great tidal wave visited the Marquesas Islands on the 10th of May. The greatest hight

erected some 20 years ago on Chipman's Hill was swept away by the fire. Mr. McCullough was much respected. HACKETT'S FUNERAL.—The funeral of interfered with, thanks to the precautions taken, but as some of the Point St. Charles

-The opinions of the American and Canadian Press on the doings at Montreal on the 12th, are not complimentary. "Talk about annexing Canada,"—says the Boston Herald, "wait until Montreal rises above the Mexican level and then we will think of it." Mayor Beaudry of course does not escape, but Mayors of this name have not been a success in Montreal either morally

A Floating University—Science and Flirtation.

len. Commander John W. Philip, United States Navy, will be detached to the command, and other officers of the navy will be detailed as subordnate officers. The vessel is fitted with staterooms and saloons for work, study, lectures and all other uses of a scientific and educational tour: will be furnished with a large library containbe furnished with a large library containing the best books of science and travel, relating especially to places embraced in the route, with scientificap paratus for thein vestigation of all natural products and phenomena. The object of the expedition is æology and present condition of well-known countries, and the geology, fauns and flora, and the habits and character of the people and the habits and character of the people in countries that are little known. Professor Burt Wide, of Cornell is the head of the board of instruction, and will have charge of the general, as well as the scientific interests of the expedition. He will be assisted by Professor Albert Schafter, of the University of Berne, Switzerland; Professor W. G. Farlow of Harvard; Professor Jenney, of Michigan University; Arthur F. Taylor, of Philip's Academy, and Louisa M. Reed, of Michigan University. The expedition will include young women as well as young men among its students. The scheme is attractive, and if it proves to be successful, will be likely to be followed by others on a still largerscale, — Boston paper.

MIRAMICHI **INSURANCE AGENCY** LANCASHIRE FIRE INSURANCE CO., OF

SCOTTISH COMMERCIAL FIRE INSURANCE CO., OF GLASGOW. CONFEDERATION LIFE ASSOCIATION OF

Von Moltke's Wife.

after reorganizing the Turkish army, he found living there with his sister-who had married Mr. Bute, an Englishman-a young girl between 15 and 16, a daughter of Mr. Bute's first marriage. The pretty little girl loved already, before seeing him the soldier who had sent from the Orient S. B. DeVeber, W. W. Turnbull, D. D. is told as a pathetic truth that since her Robertson, Wm. Elder and Simeon Jones, death the field marshal has not been seen

The Brute. The grasshopper; He cometh; He cometh numerously; He bringeth his family; Also his relatives: And his friends: Likewise his mother-in-law; And her friends; As well as all that hate her: and further resolved, that a committee of six be appointed to correspond with the New Brunswick members of the Government on this subject, and report their answer to the Committee last named."

Temporary Mutual Insurance.—Mr.
Domville M. P. writes to the St. John Daily Telegraph to the effect that as business must be done in St. John for some time in temporary wooden buildings, on the body of the struction.

As well as all that hate her;
And they are legion.

They wisdom of men computeth them not. They spread over the land;
And there is no place where they are not. They nip the spring grass;
They devour the fragrant onion is prout;
And the savory celery.
The wheat-field is left desolate;
And no green thing remaineth where the hopper hath bean;
His pathway is the abomination of destruction.

aloud—damneth.

What careth the hopper grass?
It troubleth him not.
Ask the prophets of Kansas;
And the wise men of Nebraska;
And they will answer likewise.
But the relief committee agent lifteth
up his voice and calleth the hopper bless-

Whence come many osa things and some that are good.

The hopper is one of them;
Several of them;
But he is not good.
He cometh in the latter summer days,

As the waves come when navies are tranded;
Like unto a Democratic victory.
He alighteth on a potato vine;
And on the fragrant tomato tree;
And on the succulent roasting ear,
whilstitis yet in the milk and toothsome;
And upon all other fruit of the field
that cometh late into myrket:

feet, and rain fell copiously for twelve days, none having previously fallen for four years. A number of houses, bridges,

peth off its verdant branches; He taketh no heed of the morrow Nor of the groans and curses of the

taken, but as some of the Point St. Charles
Orangemen were returning home in the
evening, a volley of some 50 revolver shots
was fired at them, a man named William
Elliot being seriously wounded in the
neck and back. He was immediately
conveyed to the hospital and has since
been in a precarious condition.
