

Publisher's Notice.

The publisher desires to urge upon the notice of all who wish to contribute matier of any kind to the ADVANCE's columns of meetings, announcements of entertainments, etc., which they might easily send in ranging from 15c. each up. days before that on which we go to press, but they seem to consult only their own hands on Wednesday after the paper is made ready for press, and seem to think it a hardship because they do not appear; and, in most cases of this kind, the contributions are really free list advertisements. We want to help every deserving organization in the community, freely, in every legitimate way, but must expect them not to delay th publication of the paper when they wish t make use of our columns. Send your matter day, but don't hold it back until Wednesday if ou can possibly avoid doing so.
