A WINTER NOTE.

(Judge).

Now, the saddest refrain

RUSSIA THREATENS CHINA. (Special to the Star).

MONCTON, N. B., Feb. 6. — Last NEW YORK, Feb. 6 .- A despatch to the Sun from Kong Kong says: The Russian minister has informed night was the coldest of the season. The thermometers at Fraser's observathe Chinese grand councillors that in tory registered 35 below. Some ther the event of war Russia may be con mometers read 38 below. At Dover it was 36 below and at Campbellton 36 pelled to seize Tien Tsin and Pekin, and that if China favors Japan, she below. At ten o'clock this morning it should consider the situation thoroughwas still 22 below here. ly before declaring her intentions. In consequence of this the Chinese min-

A REMARKABLE CLOCK, isters fear that Russia will attack Made by a One-Armed Man with Simple

With a scroll saw, plane, a hammer and a common pocket-knife, Marvin Shearer, a one-armed cripple of Akron, Ohio, has made the most wonderful ficer who has lately returned from the Far East is quoted by the Moscow correspondent of the Times to the effect that the Russian Pacific squadron possesses at least two submarines. They were built on the Black Sea, were cast in sections and fitted together at Port Arthur, where they now are. The officer also states that the mouth of the Amur river is heavily mined, and that the river is equilibriated with light craft. the river is equipped with light craft, capacity of 200 gallons per hour, a one-each patrelling about 66 miles and car-half horse electric motor and several

other electrical appliances.

The clock weighs 850 pounds and is VLADIVOSTOK, Feb. 6.-Even the authorities here apparently are with-out infermation in regard to the gen-eral situation. They receive casual inout information in regard to the general situation. They receive casual instructions, from which it is apparent that preparations are on the increase to repel a hostile attack, but no compressive steps have been taken nor has there been any special allotment of funds. The movement of troops toward Korea has been stopped. The public is greatly depressed by the uncertainty and banking and mercantile operations are at a stand still. If Vladivostok is blockaded the officers operations are at a stand still. If Viadivostok is blockaded the officers each state, territory and foreign possession in the Union are arranged, decorated with the coat-of-arms of each. of the Ussuri railroad and the law courts will be transferred to Khaba-revsk and the administrative office to On the other side of the clock dial can be seen every man-of-war in the United States navy.

GILLESPIE AGAIN. Man of Oulton Case Notoriety Won't Support His Wife.

strangers, whether Russia or foreign, will be requested to leave the precincts of the fortifications and the native resdients will be required to provide quarters for 8,000 soldiers, with horses, Thomas Gillespie, whose name figured prominently in the Oulton case, is again in trouble for failing to support would be reached whereby Mrs. Gillespie would be paid a certain amount each week. This has not been done, and Mrs. Gillespie alleges that in the last four and a half months her husband paid her only five or six dollars. She and her children have been living with her son-in-law and the two little boys are working.

man at the desk, "but if you will tell me the biggest lie about your cement I ever heard! Il buy a bottle of it, merely to encourage you."

"I wouldn't lie to sell a thousand barrels of it." protested the other. "But I'll tell you of one thing I really did with it. You have heard, I presume, of with it. You have heard, I presume, of the colonies can be kept me the biggest lie about your cement I ever heard I'll buy a bottle of it, merely to encourage you."
