

ment will subject a student to extra charges, or permanent dismissal from the class.

Students who, upon examination, may be admitted to an advanced position in the Undergraduate Course, and non-residents, who may apply for examination, will be charged the usual Class Fee in each subject.

#### BOARD, WASHING, FURNITURE, ETC.

For Board in the Academy, and for Washing, the charge to College Students will be \$40.00 for the first term, and \$60.00 for the second term, or \$100.00 for the collegiate year.

The College dormitories will be provided with stove, bed and bedding, table, chairs, wash-stand, and book-shelves. *All other articles needed or desired, including lamps and oil, must be provided by the students.*

The Steward will keep on hand, and supply to the students at cost, such articles of furniture as they may require. Upon the return to the Steward at the end of the year of any such articles, undamaged, he will refund seventy-five per cent. of the original charge.

Students will be charged for any damage to the rooms or furniture caused during their occupancy.

From the above table of charges it will be seen that the total expenses for Board, Washing, Fuel, and Instruction to a student who takes four classes (the average number) each term, will be \$155 for the collegiate year. For less than a term the charge will be *pro rata*.

#### TERMS OF PAYMENT.

*An advance payment of \$20 on College Fees, etc., and of \$40 on account of board, is strictly required at the beginning of each term.*

*The balance of the first Term's account is payable on the 15th day of November; and of the second Term's account on the 1st day of May in each year.*

A supply of the necessary Text Books, Stationery,\*etc., is kept on hand in the University Office, and furnished to the Students as needed by them: and the articles so supplied are charged in the Term's bill at the lowest rates.
