FIRST MOTOR RACES VERY SUCCESSFUL

Antelope, Sagwa and Freeman Winners in Various Classes of the St. John Boat Club Events Saturday.

The first series of motor boat races held by the St. John Boat Club took place on Saturday afternoon in Indian town harbor and were the most successful of the kind ever held in St. John. A large number of spectators crowded the wharves and the water was alive with power boats of all descriptions from twelve footers to the large cabin cruisers.

CLASS A.
The first race, class A, had three starters. The Jennie D, owned by Roy Cobham, the Antelope, owned by Rogers Bros., and the Bunnie, owned by Herman Sullivan. The boats crossing the line in the order named. The course which was to a buoy off Swift Point and return was covered in 18 minutes, the Antelope taking first place and the Jennie D second.

The Antelope was handled by two sons of the fleet captain, Fred Roberts, aged 10 and 12 respectively.

CLASS B.
In class B, there were twelve starters, and the boats crossed the line almost all together with J. C. Chesley's Sagwa slightly in the lead. It was a very pretty sight as there were nearly thirty boats following the race, the course being the same as class A. The Sagwa finished first, closely followed by the Byron C, owned by Ralph Cobham.

The cruiser Royal, owned by the veteran James Taylor, had some trouble getting away, but pulled up rapidly on the home run.

CLASS C.
Class C had two starters. The Freeman, owned by Fred Fleming, and the Skidoo, owned by Frank Jordan. The course was to Kennebecasis Island, and return, and was won by the Freeman.

The flagship Lolita carried the starting and finishing judges, Mayor Frink, Col. G. West Jones, J. B. Cudlip, and the yacht Clymene carried the judges, W. Armstrong, and D. Macdonald.

The club intend holding another series in July which will include a contest for racing models.

New Orleans, June 11.—A letter threatening Archbishop Bleak of the Roman Catholic diocese of New Orleans with death on account of the five part he is taking in the work in the fight against the revival of race track gambling in Louisiana was received at the Archbishop's palace last night. The letter is one of several recently, making threats on account of his opposition to racing.

AERIAL AND AUTO SPORT

Barney Oldfield Broke Track Record at Kansas City Race -- Count de Lesseps Will Compete at Toronto.

Kansas City, June 11.—After postponing the automobile races for eight consecutive days, the racers finally got fair weather today and contested at Elm Ridge Park.

The contests were interesting and close. Oldfield broke the track record for a mile, going the distance in 52 1-5. The world's record for a circular track is 50 4-5. Oldfield won both contests in which he entered against other racers, driving a Knox in both events. He won the five mile free for all in 6:02 1-5. Lewis Strang, in a Jackson took second.

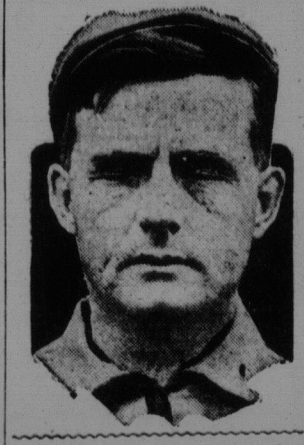

Oldfield had comparatively easy work in the fifty miles free for all, winning by more than two miles in 56 minutes.

Toronto, June 11.—Comte de Lesseps, winner of the Daily Mail Cup and £500 for the most successful flight across the English Channel, will be the chief attraction at the "Aviation Week" here towards the latter end of July under the auspices of the Ontario Motor League and a joint citizens' committee. Apart from the meeting in Montreal this month, in which Comte de Lesseps will take part, the meeting in Toronto is expected to be the biggest thing of its kind ever held on this continent. Prizes approximating \$75,000 will be offered and several flights across the lake will probably be undertaken. Five Wright aviators with their machines will attend the meeting and will attempt to break the world's record.

ONLY BLIND BALL MANAGER

Jackson, Mich., June 11.—Probably the only baseball manager in the world who is literally blind, not as those who have eyes see not, but absolutely sightless, is Bert Taylor, manager of the Jackson Stars of this city.

This blind manager handles his team from the bench, and does better work

before his sightless eyes than when working under supervision of a man who can watch the plays.

But Taylor does watch the plays. He sits on the bench with his mouth open, just what plays are made. He knows at all times the record of balls and strikes on the batter, and never fails to recognize a foul. With almost uncanny intuition he can tell, possibly from the sound of the ball against the bat, the field to which the ball has been batted.

He directs his team better than many managers with perfect eyesight, and his players work their heads off for him. He argues a point with the umpire just as earnestly as though he had seen the entire play, and his howl of protest against a decision is just as vigorous as any fan could desire.

Taylor was blinded in an accident eight years ago, and two years later took up the management of a fast amateur team. His team won the city league pennant in 1908, and this year has won 22 games out of a total of 25.

He is also a foot ball enthusiast, and accompanies the Michigan team on all its trips, following the plays of the game with almost miraculous accuracy.

ARTILLERY MATCH.

The results of the spoon match of the 3rd Regt. C. Artillery club at the rifle range Saturday, were:—
Spoon, 92 points.
B. Class—Sergt. Brown, spoon 77 pts.
C. Class—Bdr. Tyner, spoon 75 points.

Master:—John, it's just possible a gentleman may call and inquire for me; if he does, say I've gone away.

Servant:—Hadn't I better say run away, sir? Else perhaps he'll come back.

Post:—O for the wings of a dove!

Lady:—Looks as if the wings of a fowl would suit you better.

ST. PETERS AND CLIPPERS WIN ON SATURDAY

St. Josephs Defeated in Best Intersociety Match of the Season -- St. Johns Were Much Off Color.

St. Peter's 5; St. Josephs 3.

The 300 or so fans who wended their way to the Shamrock ball yard, Saturday afternoon to witness the long delayed argument between the sterling athletes who make up the St. Peter's and St. Joseph's lineups, were repaid by witnessing a game that, although loose at times, and somewhat spoiled by several lemon errors, was nevertheless highly interesting, and replete with all kinds of sensational plays and acrobatic feats. Up till the fifth stanza it looked like poached eggs on toast for the McCarthyites, when the North End saints fell upon "Wild Bill" Donovan's offering in a very savage manner, and pounded it for 10 safe sixes. This, helped out by some splendid misplays gave the game to the green and white.

Manager McCarthy was sure having some ill luck, as two of his best players were forced through injury to retire from the field, and two grandstand players had to be drafted in order to make up the vacancy. After having two assists in the first two innings, Cregan's throwing arm broke down. This, helped out by some splendid misplays gave the game to the green and white.

At the close of the sixth Callaghan collapsed at short and had to be replaced by Howe. A Littlejohn of the St. John Baptist team going to the outfield, after eating up McCarthy's offering in a very savage manner, and pounded it for 10 safe sixes. This, helped out by some splendid misplays gave the game to the green and white.

This, helped out by some splendid misplays gave the game to the green and white.

A Feature Catch.
F. Mahoney's gobbling up of Howe's foul skyscraper on the dead run, furnished one of the highlights of the entertainment. For the St. Joe's there was also some electrifying stunts pulled off. Mills was the reception committee, and played a good heady game. Mr. Joseph Donnelly, the demon first sacker, late of the Junior Balmorals, Montreal, was on cushion No. 1 for the St. Joe's, but his work with the willow was disappointing. Riley in center field was easily the big nose for the outfit. After eating up McCarthy's offering in a very savage manner, and pounded it for 10 safe sixes. This, helped out by some splendid misplays gave the game to the green and white.

He threw in a goodly margin. The crowd on a beat and backed up the second baseman in Tommy Leach style.

St. Josephs' got all their runs in the first session, and for a time it looked as though they had the long end of the score in cold storage. Cregan was the first batter up and was issued a pass. Donnelly, the demon first sacker, walked the ball safely, and in an attempt to catch Cregan en route to the shortstop station, bounced to second. Riley hit a grounder to short who tried to catch Cregan coming home and everyone was safe. Howe fouled out to third and Harris went out by the air passage.

Callaghan received applause of large dimensions by swatting a twister that scored Riley and Donnelly. Mills ended proceedings by popping out to Donnelly in right field.

St. Peter's were blanked until the fourth when two clean hits and an error gave them two scores. In the fifth they negotiated Donovan for three more, but snappy being prevented them from getting the tying run. In the sixth a base on balls and two hits tied the score. One run in the seventh and eighth while the St. Joe's were retired in quick order gave the green and white the game.

Baseball The Ring Aquatics

Jeffries Spent the Day Fishing and is Sweet-Tempered as a Kitten--Johnson Weighs 214 Pounds.

Ben Lomond, Cal., June 11.—Jeffries spent today in Big Basin where the trout are larger than those near Ben Lomond. He will not return to camp until after sunset, having left early in the morning.

Trainer Cornell said Jeffries' alternate days of rest are affording him the best possible training. When he takes a day off for a fishing trip we know it's doing him more good than harm," Cornell said. "He could rest for a week without retrograding physically. Jeffries needs only light work from now on and the more rest he takes the better chance we have of keeping him on edge."

Guests at the hotel have commented upon Jeffries' improved spirits. He plays with the children when the little folks happen near and even the saddest looking mongrel dog does not get by the big fellow without a bit of patting or a friendly call.

This change has come over the fighter only in the last ten days, and is looked upon as an encouraging sign by those who are handling him. A boxing bout with Corbett is on the programme for tomorrow.

San Francisco, Cal., June 11.—Jack Johnson had the best workout of his training schedule this afternoon there were eleven rounds of boxing, of which four were two minute contests with Al Kaufman. In addition the champion boxed four rounds with George Cotton and two more with Dave Mills.

It is judged from the line of work Johnson is following that he expects to receive a pummeling in the stomach from Jeffries. To prepare for this, Johnson is allowing his sparring partners to hit in the midriff. Even Al Kaufman was instructed to play for the champion's stomach. With 200 pounds of good weight to back him up Kaufman wrestled Johnson around the ring in much better shape than any of the colored man's regular sparring partners and the work was good for both of them.

"Johnson is a wonderful fighter," Kaufman said, "He has improved since I fought him ten rounds at Colma. Of course he has gained in weight, and while it is hard to tell about a punch with these gloves, I know he can hit harder. I expect to see him beat Jeff. I think the retired champion will not be able to lay a glove on the negro."

There was a spirit of good nature pervading the afternoon's performance and half the time the crowd was in an uproar. Johnson was in high spirits and when he tossed the medal ball around, he tried to knock down his helpers, and frequently threw the ball so that it would land in some part of the crowd.

Saturday afternoon, June 11, 1910, St. Peter's 5; St. Josephs 3. 9 Innings. First base on errors, St. Peter's 3; St. Josephs 2. Stolen bases, St. Josephs 3, viz: Donnelly, Riley, Harris; St. Peter's 3, viz: Dever, F. Mahoney. 2 bases on balls off Donovan 3; off Mahoney 3. Struck out by Mahoney 6 by Donovan 6. Time of game, 1:43. Attendance, 300.

Clippers 7; St. Johns 1.
Mr. McBride's sagacious took the Tilliettes into camp at a record breaking pace on the Victoria grounds Saturday afternoon, favoring them with a score of 7 to 1. It was all done in the 3rd inning when six Clippers walked over the home plate and not a single Tillietts score. In the 4th inning honors were even, Chase returning for the winners and E. Ramsey for the St. Johns. No other scores were made. St. John's were out by their usual snappy form, while the Clippers played a steady game throughout. Excitement was high at the start, but after the third inning interest was lost.

The game started at 3 o'clock with McAllister in charge and about 500 fans in the stand. The game was fairly fast, but the St. Johns were off from the first.

LYNCH AFTER PLAYERS WHO USE PROFANITY

New York, June 11.—President Lynch of the National League, intends to wage a vigorous warfare on players who are guilty of using bad language on the field.

"Most of the men I have suspended this year," said President Lynch today, "have been disciplined, not for arguing with the umpires, but for cursing at them. Had some of the remarks of the players to the referees been made in the south or west great trouble would have ensued. I intend to break up this habit of having players call the arbitrators bad names and I will go the limit to discipline the next who offends. I also will not stand for umpires talking back to spectators or taking it upon themselves to criticize newspaper men. My attention has been called to the fact that last Thursday on the Polo grounds here, umpires Johnstone and Moran stood in front of the press box and made remarks about the baseball writers. For this breach of the playing rules Johnstone has been fined \$25 and Moran \$15."

TORONTO WON AT LACROSSE FROM MONTREAL

Toronto, June 11.—In one of the great and most exciting games ever played on any field, considering the conditions, Toronto won from Montreal the National Lacrosse Union championship match this afternoon, it taking 20 minutes over time to do the trick, the score at full time being 3 all. The blue shirts had all the best of the early stages of the contest, leading at the end of the first quarter by 1 to nothing and at half 2 to 0. There was no scoring in the third quarter, which was the fastest played of the match. In the last quarter the Torontonians grew careless, and the champions tied up the score, making the game equal when the locals had four men on the fence.

GLENER SAYS IT'S UP TO THE HORSEMEN

Fredericton, June 11.—The Gleaner commenting on the clash of dates between Westmorland county tracks for horse races on July 1st, has the following:—
Port Elgin, Sackville and Moncton all within one county are advertising races for July 1st. It's a sure thing that all three places cannot fill and the wise horsemen will make their entries for the certain raiser meeting of the Maritime circuit in this city.

The curators will be a great it awful how people will leave things lying around for other folks to trip over."

Blunderby (with newspaper):—"This is sad. A man has fallen over a precipice and broken his neck."
Mrs. Blunderby:—"Dear, dear, ain't it awful how people will leave things lying around for other folks to trip over."

HARVARD JOINS YALE AT SCENE OF BOAT RACE

Red Top, Conn., June 12.—The Harvard crews with their managers and trainers arrived at quarters from Boston shortly after 1 o'clock today, coming up from New London, where they left the train in the John Harvard.

Captain Wodell and stroke Wallis, of Yale Varsity eight called on the crews soon after their arrival, as did some of the members of the Yale freshmen crews. Elliot Bacon, No. 7 in the Varsity boat, did not come with the rest, being detained in Cambridge by a cold in the ear, but it is said that he will reach here in time for the afternoon practice on Monday.

to their members and the horsemen of the provinces generally declaring that the Fredericton Park Association's meeting is the one officially recognized by the association and that the little meetings that are being run at Port Elgin and the other places in opposition to the one here are not recognized by the association.
