## AT PORTLAND MAINE

Portland Argus: Copper ore shipments from Canada via Portland have been increasing the past fortnight and are now about as heavy as before the war started. The barge Nanticoke, after loading at the Galt wharf, left Wednesday for New York in tow her place at the loading berth being taken by the Rockland barge No. 10.

There has been a decided increase in chartering in the steamer market the past few days, and a better demand prevails for boats in the transatlantic trade, more than a dozen steamers having been engaged within a week to load grain across from Atlantic ports, principally to United Kingdom ports. A sharp advance in the prices of all cereals has followed the increase in the export demand.

## BASEBALL TODAY.

This afternoon there will be a double header played on the Marathon grounds when the Glenwoods of the East End League will first play a game with the Victorias, the champions of the South End League, and will then play a game with the Royals, the champions of the Fairville League. There will be no admission to the games, but a collection will be taken up, and the proceeds will be donated to the soldiers' relief fund. The fans may expect to see a pretty good class of ball and there is no doubt but that there will be a large attendance.

## LOUAIN IS REDUCED TO HEAP OF RUINS

(Continued from page 9)

"Without inquiry and without listening to any protest, the German commander announced that the town would be destroyed immediately. The inhabitants were ordered to leave their dwellings and some were made prisoners. The women and children were placed on trains the destinations of which are not known, and soldiers furnished with bombs set fire to all parts of the city. The splendid church of St. Peter, the university buildings, the library and scientific establishments were delivered to the flames. "Several notable citizens were shot. The city, which had a population of 45,000 and was the intellectual metropolis of the low countries, is now nothing more than a heap of ashes."

Paris, Aug. 28, 4.15 p. m.—Forty newspapermen who gathered at the war office at 3 o'clock this afternoon for the first afternoon announcement concerning the war, were informed by Captain Duval, who was in charge of the press bureau, that there was nothing to communicate concerning the operations of the British and French armies.

Captain Duval, however, informed the correspondents that the German troops were retreating in eastern Prussia. He said also that the Russian offensive was being pushed energetically in Galicia and confirmed the announcement made yesterday of the destruction.

Rome, Aug. 28, via London, Aug. 28, 5.30 p. m.—The correspondent at Trieste, Austria, of the Messaggero, says: "A serious condition prevails at Pola, where the troops have been reduced to half rations. An entrenched camp is being constructed around Pola."

"The Austrian troops operating in the south have been ordered to remain on the defensive as a large number of troops have been taken from Bosnia and sent to Galicia to oppose the Russians who are making alarming progress."

Paris, Aug. 28, 8 p. m.—The war office tonight issued this announcement: "In Galicia the Russians are taking a vigorous offensive. After successful engagements near (name of place evidently cut out by censor) they are marching on and now are only twenty miles from that town. The Germans continue an active retreat toward Koenigsberg."

## A GOOD IDEA

Rev. Ralph J. Haughton, pastor of the Congregational church, has taken up the matter of collections for the Patriotic Fund, and has sent out envelopes and circular letters to the members of his congregation requesting them to make a special contribution for the fund. The money collected will be sent as a donation from the church to the Patriotic Fund. The letter sent out by Rev. Mr. Haughton mentioned the serious and earnest call that has gone out to the people of Canada for the defence of the British Empire in this hour of great danger. Already thousands of loyal hearts have shown their willingness to leave home and loved ones—and lay down their lives if necessary—for the Empire and flag we all love so well. Those of us who remain at home must take up our tasks with the same noble courage, and self-sacrificing spirit as those, who are leaving mothers, wives and children behind—trusting God to care for them.

This is a time indeed when the strong ought to bear the infirmities of the weak. It is expected that other churches will take up the idea and give to the fund for the aid of the wives and families of those, who go to fight for the Empire in Europe.

Abusive.

James Scott was arrested yesterday on a warrant charging him with using abusive language.
