RUSSIA DEFEATS GERMANS 'A BLOW' IN BALTIC SEA

ALMOST HALF
OF 3 CRUISERS'
CREW SAVED
GERMAN CRUISER AND
TWO TORPEDO BOATS SUNK
BY RUSSIANS IN BALTIC

Latest estimates show
1067 officers and men
from the Cressy, Aboukir
and Hogue accounted for

Lowestoft, Sept. 23, via London, (7.25 p.m.)—So far as can be learned 1,067 officers and men were saved out of a total of 2,200 who were on board the three British cruisers when they were sunk by a German submarine yesterday.

A traveler arrived here today with thirty-four survivors, including two officers. The survivors are accounted for as follows:

Harwich, 506; on British ships, 257; at Lowestoft, 308; at Lowestoft, thirty-four.

It is possible that other Lowestoft fishing trawlers have made further rescues. The trawler which arrived here today saw the three cruisers sink and saved 350 men, who, with the exception of thirty-four, were transferred to warships. The captain of the trawler says that the first cruiser attacked sank in three minutes, the second in eight minutes and the third as quickly as the first.

WAS PREDICTED IN
LATIN PROPHECY

Paris, Sept. 21.—The Figaro publishes the Latin prophecy, dated in 1600, which was written by an unknown author and transcribed by the monk Johannes. It prophesied the coming of "Antichrist" as a monarch, a son of Luther, with the motto "God With Us."

Verse 18: "Antichrist will manifest himself about the year 2,000. His army will surpass the imagination for number and will have Christians, but the defenders of the Lamb will have Mohammedans and savages."

Verse 20: "The Black Eagle (Germany) will hurt himself upon the Cock (France), who will lose many feathers, but whose spur will strike heroically. He will soon be exhausted without the aid of the Leopard (England)."

Verse 21: "The Black Eagle will come from the land of Luther and will surprise the Cock and invade half of the Cock's land."

Verse 22: "The White Eagle (Russia) will come from the north and will surprise the Black Eagle and the other eagle (Austria) and will invade Antichrist's country completely."

Verse 23: "The Black Eagle will be forced to abandon the Cock, to fight the White Eagle. The Cock will pursue the Black Eagle into Antichrist's country."

Verse 24: "Previous battles will be nothing as compared to those fought in Antichrist's country."

Verse 25: "Only princes and captains will be buried. Hunger and plague will be added to carnage. The battles will make too many corpses to bury."

Verse 27: "Antichrist will offer demand peace, which will be refused until he be crushed."

Verse 30: "Antichrist's last battle will be fought where he forges arms."

Verse 31: "Antichrist will lose his crown and will die in solitude and madness. His empire will be divided into twenty-two states, none having any fort or army or vessel."

The Figaro adds that verse 30 refers to Essen, in Westphalia.

When the Liver
Gets Torpid

There is Nothing Like Dr. Chase's Kidney-Liver Pills to Set It Right.

Mrs. C. L. Cook, 248 Tenth street, Brandon, Man., writes: "I have used Dr. Chase's Kidney-Liver Pills for the last four years for liver trouble, and can say that I have had great satisfaction and help from them. I find that I do not need any doctor if I use them when the liver gets torpid, and believe that they are exactly suited for my case. My husband has used them for kidney trouble with good results, and my daughter in Winnipeg has been helped a great deal by the use of these pills. We say we can't keep house without them, and have recommended them to many people who have used them with good results."

By keeping the liver active and the bowels regular, Dr. Chase's Kidney-Liver Pills prevent and cure such disorders as biliousness, constipation, chronic indigestion and headache. One pill a dose, 25c. a box, for \$1.00; all dealers, or Edmondson, Bates & Co., Limited, Toronto.

Leave Things As They Are For The Present, LONDON PAPER SAYS

London, Sept. 23 (7.45 p.m.)—The Spectator in an article on "President Lincoln and compulsory service," gives verbatim Lincoln's plea for the draft as taken from John Hay's biography of Lincoln. The paper says that while England is likely to get only a million men without conscription it is obviously better to leave things as they are during the war, "even though the voluntary system acts with a good deal of unfairness and places a heavy burden on willing shoulders."

"We put Lincoln's words forward," says the Spectator, "not for immediate needs but because they are so wise and stimulating and because at the moment people will really listen to a question of universal service."

ALLIES' LEFT WING
MAKES 10 MILE GAIN

Reports of Partial Turning of German Right Wing
Are Confirmed—Austrians Fall Back
Around Przemyśl.

Paris, Sept. 23.—Confirmation of the circumstantial reports that the French left has succeeded in partially turning the flank of the German right wing came today from the war office. The official resume of the situation made public at Bordeaux at three o'clock and wired by General Gallieni stated that by violent fighting the French left on the right bank of the River Oise has now succeeded in advancing more than ten miles.

The report says:

"The left wing of the allied army is making steady progress against the Germans commanded by General Von Kluck. Our left, by determined and at times, hand to hand, fighting has succeeded in gaining ten miles along the right bank of the River Oise. The movement at this point, (enveloping one), is progressing as planned by the commander-in-chief."

"The Germans made a violent attack on the French positions from the northeast of Verdun, but this was checked and finally repulsed in a series of brilliant counter-attacks by the French armies centred there."

"No change of moment is noticeable from any other point along the line of battle."

The Best Defensive Is An Ardent Attack

In chess, in play, in war, and in business the best defensive attack.

Leadership and success are not mere matters of position and resources. They are matters of spirit.

The spirit of leadership and success shows itself in aggressive action.

In Canada eventual leadership and success in manufacturing, wholesale and retail enterprise will belong to those who push forward now and always. Those who seek merely to conserve their position become stationary and expose themselves to the danger of ultimate destruction.

These are the lessons and facts of history. The occupation of new fields of trade and the winning of new customers are achieved at the least cost of money and time by the adoption of a strong, constantly-maintained and prudent policy of advertising in the public press.

Maintenance of Attack Wears Down Resistance.

Col. Harvey native of St.

St. John's, Nfld., Sept. 23.—It is thought probable here that as a result of the heavy losses of the naval reservists in the North Sea fight yesterday, Newfoundland reservists whose services heretofore were not needed, will now likely be called to the colors.

The second in command of H. M. S. Cressy, Lieut. Bernard Harvey was a Newfoundland native of St. John's. Lieut. Harvey was married about four years ago to a daughter of Hon. Josiah Wood, Lieutenant Governor of New Brunswick.
