COMMITTEES OF THE SYNOD ARE MEETING

Decide Upon Retreat for Clergy at Rothesay Collegiate School—Reports Presented.

A meeting of the executive of the Church of England Synod was held at the Institute, Princess street, yesterday afternoon. His Lordship Bishop Richardson presiding.

The executive adopted the recommendation of the committee on the instruction of spiritual forces that a retreat for the clergy be held at the Rothesay Collegiate school in September. The retreat will be conducted by the Rev. Dr. W. P. Craig, rector of St. Martin's Church, Montreal.

No action was taken by the executive in regard to the leasing of the property in the rear of the local institute for the purpose of a garage.

At the meeting of the Board of Church Literature on Tuesday morning, it was announced that the receipts from the last sale were larger than the total realized at the last quarter in the previous year. Following the meeting the standing committee of the board of education met at 3 p.m., and the report of the Principal of Rothesay Collegiate Institute, Rev. W. R. Hibbard, was heard. Satisfactory results were shown.

The standing committee on Sunday schools appointed officers and superintendents for the ensuing year at a meeting beginning at 3.30, and reference was made to the Summer School which will open at King's College, Windsor, N. S., on June 25th next. It is expected that unqualified success will attend the school work, as was the case in the session at Rothesay last summer.

Tuesday night Bishop Richardson, at the meeting of the Board of Missions, read the reports of the various committees. The following committee was appointed to arrange for increasing mission contributions: Bishop Richardson, Archdeacon Newnam, Charles Coster and Ronald Prith.

Yesterday morning the committees on widows and orphans and on mobilization of spiritual resources, were in session and the Social Service Council sat at 11 a.m. At noon the Ordination Candidates Council and the Board of Finance held meetings.

DODD'S KIDNEY PILLS CURED MRS. MERCREDI.

She Had Been Ill Two Years and Could Find No Cure. That's Why Her Husband is Enthusiastic Over Dodd's Kidney Pills.

Fort Smith, Alberta, April 18.—(Special)—Among all the thousands of Canadians who praise Dodd's Kidney Pills for the good they have done, there is no more fervent admirer of the great kidney remedy than Isidore Mercredi, of this place. "Yes, it always gives me pleasure to say a good word for Dodd's Kidney Pills," Mr. Mercredi says. "My wife was sick for two years. We could not find anything to restore her to health. Then I found a pamphlet telling of several persons who had been cured by Dodd's Kidney Pills."

"My wife used just two boxes of them and she is perfectly well, to the great surprise of all our neighbors. They can tell you the same thing. I cannot recommend Dodd's Kidney Pills enough."

Dodd's Kidney Pills are the greatest of all remedies for weak, suffering women. They cure the kidneys. The kidneys are the root of nine-tenths of women's ills. Moreover, cured kidneys mean pure, clear blood all over the body. That means good health everywhere.

CITY BOY SCOUT NOTES.

The recently formed Exmouth street troop of Boy Scouts met at their headquarters last evening, and were visited by the district scoutmaster, B. C. Waring, who expressed himself as particularly pleased with the boys' smart appearance. All but two of the members are tenderfoot scouts. At last night's gathering it was arranged that the scoutmaster, J. R. Hopkins, should be assisted by H. D. Hopkins, and it is expected that this troop will make steady progress.

The Virginia Home troop also held a meeting last evening, and proved by the splendid way in which they carried out orders, and demonstrations of reformation, that they are a most capable unit of the city scouts.

Arrangements are being further completed for the scouts to take part in the military parade on Sunday, and it is fully anticipated that should the weather man deal kindly the smart appearance of the scouts will add to the success of the turn out.

ST. JOHN HOMES ARE SAVED

Telegrams Received Yesterday Announce Death of Lieut. Manning—Other St. John Heroes Reported Wounded.

Dr. James Manning yesterday received a telegram from Ottawa bearing the sad intelligence that his son, Lieutenant Frederick Charles Manning, had died as the result of wounds on April 15.

Lieutenant Manning, while attending the St. John schools was always at the head of the class and while attending High School he took every thing before him, and especially in grade eleven he won every medal leading in all subjects.

After graduating from the High School he went to Fredericton where he attended the Normal School and in two terms he qualified for a grammar school license, the highest license possible to secure in the province. He then took charge of the grammar school at Fredericton Junction at the age of eighteen. After teaching a year he went to Acadia College, where he had completed his arts course just prior to enlistment.

At school and at college he was a chosen leader. He was a young man of high intellectual attainments and always held in high esteem. At the college he had his first experience in military work. He was appointed officer in command of the officers' training course which was conducted at the college last year.

He had the honor of being the first of his class to offer himself for overseas service, although several of the students followed his good example. A recruiting officer of the 219th Nova Scotia Battalion was at the college just prior to the closing of the college year, and after he had made his appeal for recruits, Lieutenant Manning, followed by several of the students, who were taking instructions in military tactics, signed on with the 219th as privates. Lieutenant Manning's ability was soon recognized and he was promoted. He crossed to England and about a month ago was chosen a lieutenant in one of the Highland brigades which crossed to France to take part in the big drive which is on at the present time.

He was very prominent in musical circles and was gifted with an excellent voice. In the local Y. M. C. A. prior to leaving the city he also was an active member and was one of the leaders in both the religious and athletic work of the association.

Lieutenant Manning leaves his parents, three brothers, Lieutenant Manning, a member of the 219th as privates, and Laurence and Thomas at home; also one sister, Marjorie, at home.

Major W. A. Cameron.

Major William Archibald Cameron, M. C., son of Mr. and Mrs. R. K. Cameron, of 85 Mecklenburg street, has been wounded for the third time. This time, however, the wound is only slight. The information that was received is to the effect that he was wounded in the right hand by gunshot and is at present in a hospital in London.

Closely following on the telegram from Ottawa came a cablegram from Major Cameron himself, saying that his wounds were very slight, and that he would be around in the course of a few days. Major Cameron has been in France for two years, having gone overseas as a member of the 25th Battalion. Prior to enlistment he was with P. B. McCurdy & Company, Halifax.

Private W. A. Steel.

Rev. George Steel, D. D., of 183 Main street, received a telegram yesterday informing him that his son, Private W. A. Steel, had been admitted to No. 5 British Red Cross Hospital in Wimerieux, suffering from a gunshot wound in the chest. Private Steel was formerly employed in the Imperial Bank of Montreal, and soon after the outbreak of the war resigned and joined the 42nd Royal Canadian Trenchers. He has been in the trenches for the last nineteen months. In June, 1916, he sustained a severe injury and was invalided to a hospital in England where he remained for eight weeks. Later he rejoined his unit and was on the firing line with his comrades in arms until April 10, when he was again wounded.

Sergeant Percy J. Steel, who is attached to a machine gun draft being recruited in this city, is a brother.

Private James E. Wood.

C. L. Wood of 297 Rockland road, received a telegram from Ottawa yesterday informing him that his brother, Private James E. Wood, had been admitted to No. 16 General Hospital in Leirup, suffering from serious wounds in the back, thigh and ankle. Private Wood is a native of Sydney, C. B., and went overseas with a Canadian unit last October. His mother, Mrs. Louis Wood, resides at Glace Bay.

Private H. P. Ryan.

Official word came to Mr. and Mrs. H. D. Ryan, of 315 Princess street yesterday, informing them that their nephew, Private Herbert Patrick Ryan was officially reported admitted to No. 5 British Red Cross Hospital at Wimerieux on April 10, with gunshot wound in left arm. Private Ryan was a member of a Montreal battalion. He was a moulder. He has one brother, Albert, who makes his home in Princess street, but at present is with the C. P. R. at McAdam Junction. Private Ryan is twenty-one years of age.

Private L. D. Callahan.

Mr. and Mrs. Dennis Callahan received official information from Ottawa yesterday that their son, Private Leslie Dennis Callahan, was officially reported admitted to 32 stationary hospital in Wimerieux on April 10, with gunshot wound in his right arm. Private Callahan was a member of a New Brunswick battalion but crossed to the fighting region with another regiment. He had been in the trenches since Christmas and was doing good work. He is only nineteen years of age. Previous to enlisting he was employed in the Humphrey shoe factory.

Lieut. K. T. Creighton.

A Winnipeg despatch of April 17 says:—"Lieut. Kenneth T. Creighton is severely wounded according to private advice. He left with a Winnipeg battalion and prior to enlisting was a local newspaperman. His parents live at St. John, N. B., and his wife is at present residing in California." Lieut. Creighton is a son of Mr. H. C. Creighton, Superintendent of the Canadian Express Company of this city. He is about 25 years old, and has been on the staff of the Winnipeg Telegram. His wife was formerly a Miss Campbell, daughter of former Alderman Campbell, of Winnipeg. He and his wife have two children. Mr. and Mrs. H. C. Creighton have another son doing "his bit" at the front. Leslie went overseas several years ago. He is in the Signal Service Corps.

Greeted by Old Friends.

Robert Brown, a conductor on the Canadian Northern Railway, whose home is in Edmonton, is in the city, and is warmly welcomed back to his old home by his friends. It has been about fifteen years since Conductor Brown left for the west, and this is his second visit to St. John during that period, the last visit being about eleven years ago. He is a son of the late David Brown who, years ago, was track master for the New Brunswick Railway. William Brown, general manager of the Canadian Northern, Walter Brown, a C. P. R. official on this division, and Gavin Brown, station agent at Woodstock, are brothers. Yesterday Conductor Brown was called on by Chief of Police Simpson who was on the detective force in Edmonton before coming to St. John. Mr. Brown intends returning to the west in a few days.

Lieut. "Buddell" Wounded.

Among the names in the casualty list received last night was that of Lieut. W. M. "Buddell" St. John, wounded but still on duty. No officer by that name could be learned of last night as having enlisted from this city and it was thought that perhaps it was Lieut. Wm. C. Birrell of the 62nd Regiment, who went overseas as paymaster with the 26th Battalion. Military officers last night said they knew of no officer from this city by the name of "Buddell," and they felt that it was not Lieut. Birrell.

Dangerous Retaining Walls.

It is reported that there are a few stone retaining walls in sections of the city that need immediate attention before some person is injured. Some time during Tuesday night or early yesterday morning a large section of
