## HELL OUTLOOK IN CANADA EXCELLENT

igns are Not Wanting That Order from United States Will be Important Factor in Munitions Industry this Year.

Toronto, May 4—in its summary of the Iron, steel, metal and machinery markets, Canadian Machiery and Manufacturing News, makes the fol-lowing observations:—Signs are not Most Promising of Any
Trade Just Now.

(McDOUGALL & COWANS)

New York, May 4.—It's held that the dustried stocks are advancing to discount what are expected to be good earnings for the present quarter. This applies particularly to metal interests. The entire railroad list of stocks is approximating a real investment say food authorities, who hold there are many bargains offering, and that the content of the present prices.

The center real investment say food authorities, who hold there are many bargains offering, and that we were many bargains offering, and that the content of the price of the present of the price of the

England.

London, May 3—The first electrically propelled merchant ship ever built in England and the largest electric vessel in the world is now undergoing its finishing touches at a British shippard and will soon start on its first voyage. The vessel is designed on a system in which a combination of steam and electricity is employed. The importance of this type of vessel under present conditions is its decreased coal consumption and larger cargo space.

SAD ACCIDENT

AT WESTFLED

Boy Struck on Head by a Stone on Friday Afternoon Died Early Saturday Morning.

As the result of being struck over the struck over the struct with a stone Eroll Mc.

RECENT CHARTERS.

As the result of being struck over the temple with a stone Eroll McKenzie, the 14 year old son of Mr. and Mrs. Charles McKenzie, Westfield, died early Saturday morning.

With other boys he had been play ting in the school yard Friday afternoon when a stone thrown by Arthur Parker, aged nine years, struck him over the temple. Young McKenzie was cut, but did not appear to be badly injured. While in school his teacher noticed he looked pale and sent him home.

Seven o'clock that evening he took seriously ill and Dr. Jack, of Greenwick, was called and found the boy suffering from hemorrhage. Death occurred at three o'clock Saturday to the structure of the seriously ill send of the seriousl S. and Brasil trade, one round trip.

## VILLYS-OVERLAND STRONG SATURDAY

United States Steel Makes No Headway and Profit-Taking Increases, Resulting in Mod-

(McDOUGALL & COWANS)

New York, May 4,—The opening was irregular and the early trading light. No important war news was received during the morning, while domestic affairs were overshadowed by the final drive for Liberty bond subscriptions. Willys' Overland showed some atrength along with the affiliated Curties Aeroplane on the curb. A few fractional gains were made by the minor Steel issues in the first half hour, but there was little doing in U. S. Steel or R. B. C. Profit-taking increased as the session advanced, and quite a little stock came out, causing moderate recessions in the leading issues.

E. & C. RANDOLPH. light. No important war news was received during the morning, while domestic affairs were overshadowed by the final drive for Liberty bond subscriptions. Wiliys' Overland showed some strength along with the affiliated Curties Aeroplane on the curb. A few fractional gains were made by the minor Siteel issues in the trax half hour, but there was little doing in U. S. Steel or R. B. C. Profittaking increased as the session advanced, and quite a little stock came out, causing moderate recessions in the leading issues.

E. & C. RANDOLPH.

LIBERTY LOAN SUCCESS

Washington, May 4—The third Liberty Loan has been over-subscribed by \$6,888,900, the treasury reported today. Later figures are expected to raise the total far above three billion.
