

will, it is expected, afford the same advantages to students of the Baptist mission.

It is open to women who do not contemplate pursuing the study of medicine with a view to professional practice to attend one or more of the courses of lectures, on payment of special fees.

The Parliament Street and the College and Carlton Street cars of the Toronto Street Railway pass every five minutes within a few yards of the Woman's Medical College.

The cost of living depends largely upon the tastes of the students. Board may be obtained at from \$3.00 to \$5.00 per week. Intending students may apply to the Secretary for a list of boarding houses.

R. BARRINGTON NEVITT, *Dean*,

176 Jarvis Street, Toronto ; *or*

D. J. GIBB WISHART, *Secretary*.

47 Grosvenor Street, Toronto ; *or*

At the College.

Hints for Intending Students in Medicine.

1. The License to Practise in the Province of Ontario can be obtained **ONLY** by passing the prescribed examinations of the College of Physicians and Surgeons of Ontario (page 30). N.B.—University degrees do not confer the license to practise in Ontario.

2. A Degree in Medicine can be obtained **ONLY** by passing the prescribed examinations of either the University of Trinity College (page 19), or Toronto University (page 23), or Victoria University.

3. The Lecture Tickets of the Woman's Medical College are accepted by all the above mentioned examining bodies.

4. Students may be matriculated before the College of Physicians and Surgeons, or any one of the Universities, by passing the matriculation examination of the College as laid down on page 14, or by passing the Art Matriculation Examination of any one of the Universities, and paying the stated fees.

5. After July 1st, 1892, every candidate, except she be a graduate in Arts, must present the official certificate of having passed the Pass University Departmental Art Matriculation, with the pre-
