STRONG DRAMA AT STAR
THEATRE
Virginia Pearson and Bessie Barriscale Draw Big Houses.
As a gifted emotional actress ofthe first rank it is a foregone conclusion that Virginia Pearson has a great future.
The part assigned to her in "Buchanan's Wife" is by no means an easy one, but she has succeeded in making a big role of what otherwise might have proved a vary ordinary melodr-at ic feature.

"All of a Sudden Norma" presents great opportunities for that versatile and vivacious little artists Bessie Barriscae who with an admirabe company to supp rt her holds her audience throughout the play which has a distinct atmosphere of human interest. Screen plays of this discription will always prove popular to lovers of the silent drama.
