The Silo For Canada

Known as the one staunch preserver of sweet succulent silage through fiercest winters and dryest summers, needing no repairs, no painting, no adjustments, the Natco Everlasting Silo is recognized as the silo for the Dominion. It is made in Canada for Canada. It's weatherproof, decayproof and fireproof, convenient and attractive and will add as nothing else to your feeding profits. The Natco will be the most valuable addition to your farm buildings—a structure that you'll be proud of. The

Natco Everlasting Silo

PATENTED
"The Silo That Lasts for Generations"
is built of hollow vitrified clay tile, whose glazed surfaces are impervious to air and moisture and whose double air compartments prevent freezing. The door frame consists of special jamb tile. Doors are of gulf cypress. Perfect fit. Greatest convenience. Durable. Rigid. Bands of steel laid in the mortar reinforce this strongest of all silos. No blowdowns—therefore a taller silo with smaller diameter can be built—exposing less silage on top. Nothing can fade this giant of strength and efficiency. Send today for list of Natco owners in your province and our Catalog 4

Beautify and Protect Your Property

Peerless Ornamental Fencing accomplishes two great purposes. It beautifies your premises by giving them that symmetrical, pleasing, orderly appearance, and it protects them by furnishing rigid, effective resistance against marauding animals, etc.

Peerless Ornamental Fencing

is made of strong, stiff, galvanized wire that will not sag. In addition to galvanizing, every strand is given a coating of zinc enamel paint, thus forming the best possible insurance against rust. Peerless ornamental fence is made in several styles. It's easy to erect and holds its shape for years.

Send for free catalog. If interested, ask about our farm and poultry fencing. Agents nearly everywhere. Agents wanted in open territory.

The Money in Your Maple Trees

Now that there is a law that protects every producer of Pure Maple products against unscrupulous adulterators, you can make every one of your maple trees return a handsome profit each year.

The profit per tree will depend upon the quality of your syrup and sugar—the CHAMPION EVAPORATOR turns out the highest grade syrup in less time, at less cost per gallon and in greater quantity than is otherwise possible. Write us today and let us tell you how to get the most out of your maple trees at a time when you can't do any other profitable work on the farm.
