## CANADA'S GREAT BUSINESS UNIVERSITY!

### London Commercial College

AND

### TELEGRAPHIC AND PHONOGRAPHIC INSTITUTE.

(Established nearly a quarter of a Century.)

THE OLDEST, MOST POPULAR, AND BEST PATRONIZED BUSINESS TRAINING SCHOOL IN BRITISH AMERICA.

No other Institution in the Dominion has fully-equipped and well-conducted Commercial, Telegraphic, and Phonographic Departments, and we claim, without fear of successful contradiction, that our facilities for imparting such instruction as will fit young men to occupy first-class positions in Manufacturing Establishments, large Mercantile Houses, Banking Institutions, Railway and Insurance Offices, or qualify them for Telegraph Operators or Shorthand Writers, are unequalled in Canada.

TERMS (Payable strictly in advance).

We make no reduction to students who may enter at a particular time. We make no reduction to students who may pass other Commercial Colleges to get here. Neither do we make any reduction to clubs. We treat all students exactly alike, and we are glad to know that our course in this respect gives general satisfaction.

The College Building is one of the finest structures in the City of London. It is well heated and thoroughly ventilated and as the ceilings are thirty feet high it is, perhaps, the most healthy educational establishment in the Province.

Our staff of thoroughly qualified professors is nearly twice as large as that of any other Business College in Canada; and, what is of great importance to the student, all the Teachers on the staff are in regular attendance at the College.

In the Penmanship Department we excel all similar Institutions, and employ three superior penmen. The Principal of this Department has long been recognized, both in Canada and the United States, as the leading penman in the Dominion.

There can be no question as to where is the best place to obtain a comprehensive, thorough and practical Business Education, and intending students should send immediately for pamphlets, etc., containing full particulars respecting Terms, Course of Study, etc.

School re-opens after the Christmas holidays, on Tuesday, January 2nd, 1883. Address

W. N. YEREX, President, London, Ont.
