## TREATING CHILDREN.

The treatment of babies and children is somewhat experimental, as they lack the power of expression other than by crying. Their ailments are usually simple and require only simple remedies. Often there is nothing more than a slight attack of indigestion, or one of the most common complaints—constipation. GARFIELD FIG SYRUP always helps, and usually cures. Made from herbs, fruit laxatives and pure sugar only. 15 cent bottle, 35 doses for infants; 25 cent bottle, 35 doses for adults. Your druggist keeps it. Send post card for free booklet, "How to Keep the Baby Well" and keep well yourself, with free sample of medicine.
