THURSDAY MORNING, AUGUST 26, 1886.

A Political Feature.

A prohibition campaign in Maine, where prohibition has been both the law and the gospel for over a third of a century...

It is amusing to find that Woodcock and Brantford papers which a few months ago...

It is reported that "a Canadian" - no name given - has just lost half a million francs in Paris...

A New York colored man's favorite tipple is kerosene oil, which he drinks by the pint...

It appears, nevertheless, that prices of staple commodities are slowly but surely falling...

The existing situation in Bulgaria is easy of description. It is a case of a man who sits in his case...

The existing situation in Bulgaria is easy of description. It is a case of a man who sits in his case...

It is said that the Russian government is not likely to be satisfied with the terms...
