Royals' bats ring

The bats were ringing for the Mississauga Royals last week, much to the chagrin of their Milton opponents.

By the time the ninth inning had run out, the score stood 16-4 for the Halton County tyke Royals.

Adam Molnar played a superb two-way game, allowing only one hit. He added a homer and triple.

Derek Rothwell was not far behind Molnar, with a homer and two singles. Greg Grey hit a single and a double, and Brant Wilson had three hits.

Defensively, the Royals were outstanding as well. The outfield work of centre fielder Ben Babcock was of particular note.

Tonight the Royals play host to Georgetown at Applewood.

Warriors untouchable

Mississauga Rusco Warriors didn't let an embarrassing start slow them down.

Warriors were beaten 57-0 by Oakville Steelers in the opening game of the Oakville Touch Football Tournament last weekend but rebounded to win the consolation championship.

Warriors dumped Oakville Warriors 27-15 and blanked Oakville Raiders 13-0 to win the consolation title.

Dave Bell and John Huether scored touchdowns in the final with quarterback Pete Bedford adding a convert.

George Armstrong intercepted three passes while Milverton Gosling had five quarterback touches.

Mississauga Rattlers made the championship final but lost 41-20 to Thornhill Crimson Tide.

Mississauga Reid-Dominion Redskins won their opener but lost to Rattlers in their second game.

End zone the start

Toronto Argonauts football fans have an opportunity to enjoy a pre-game meal, avoid post-game traffic jams and help minor football.

The Central Ontario Amateur Football Association is operating The End Zone, a fan's club in the lounge of the Queen Elizabeth Building at the CNE. The lounge will be open before and after every game and will feature talks by ex-players, sportswriters and other football people. The player of the game awards will also be announced following each game.

Cost of admission is \$1 with all proceeds going to minor football in Ontario.

The first End Zone will be held prior to the June 22 pre-season game. Food and drink will be available.

The End Zone opens at 5 p.m. and is open to all football fans and Argo players.

For my next trick....

Clarkson's Les Anning, left, appears to be balancing the ball on his head during last week's Ontario Inter-cities Senior Soccer League game against Dundas at Clarkson Secondary School. Dundas won this game 2-1.

Player shortage kills Clarkson

Injuries and insufficient bench strength have been the cause of some concern, for Clarkson senior soccer coach Gerry Brissenden,

and last week's matches showed why. Without striker Les Anning and midfielder Rick Kelso, Clarkson went

down to a 3-0 defeat at the hands of Sorio Lazio in Inter-cities Senior Soccer League play.

The team's weaknesses showed again in their third match of the week in a 2-1 loss to Dundas at home.

Clarkson juniors take a beating

Clarkson spotted Dundas a 2-0 lead with the wind in the first half, but felt confident of victory.

manager John Mairs. "Nobody played exceptionally well."

Dundas had different ideas, however, and held onto a 2-1 win in Inter-cities Junior Soccer League play last week.

John Brissenden managed Clarkson's lone goal, converting a pass pushed through by Tom Milliken from the left side.

With Anning back in uniform, Clarkson managed to beat Oshawa Acadia in Scarborough by a score of 4-2. Even at that they were still hard pressed, as they had only 10 men dressed for the game.

John Brissenden scored for Clarkson.

Coach Brissenden is concerned enough about his manpower situation, that he has sent out a public appeal for more players. Anyone over 21 interested in joining the Clarkson organization can reach him at 275-9678.

Metrospan shows might

Jim Holbrough and Tom Maloney combined to drive in nine runs and help Metrospan Community Newspapers to a tie and victory in a Toronto Press Softball League doubleheader last week.

Metrospan dumped Toronto Star Mothers 11-6 in the second game.

Holbrough was the winning pitcher in the second game.

United Falcons find going gets tougher

Mississauga United Ferrin Falcons coach Bruno Puzzer predicted after the first Metro Inter-district Soccer League game that things would get tougher as the season progressed.

Interdistricts play. With only a 10-man squad, it is understandable that the team would be a bit weak. When Rea broke his silence, it was to declare that the team

needs strength up front. Rea is expecting four more players to be added to his team in the near future. He is optimistic that this could give his team some added punch.

It was an entirely correct prediction.

Falcons dropped their fourth game in a row, 3-2 to Wexford, after taking a 2-0 lead in the first half in a minor pee-wee game last week.

"We fell apart in the second period," said Puzzer. "I don't know what happened. It's something that might take a little while to figure out."

Puzzer believes that several of his players are not performing up to their potential.

Mark Haldane scored both United goals. Gino Ferrini assisted on both with key passes.

Puzzer singled out Richard Shepherd for his all-round play.

PEEWEE

The Mississauga United pee-wees, after dominating the majority of the game, had to satisfy themselves with a tie last week in a Metro Interdistrict Soccer League game against Chinguacousy.

On goals from Simon Mahdessian and Luciano De Luca, United went through all but the last minutes of the game with a 2-0 lead.

But in the dying moments, Chinguacousy found life and put two past netminder Brian Humphrey to save the tie.

Coach Bern Hugglestone said that his team could still have won the game even with Chinguacousy's two goals were it not for the numerous missed chances United had in the second half.

MOSQUITO

Jim Rea was a quiet man after his game last Wednesday. For a soccer coach, that's an ominous sign.

As it turned out, there was good reason for his behavior. His Mississauga United mosquitos took an 8-0 pounding from Chinguacousy in Metro

Generous Rangers give away points

"We didn't lose the game, we gave it away."

That was the disgruntled opinion of Len Runzer, coach of the Mississauga Rangers, when asked about last week's NSL Junior B soccer match between Rangers and Midland Caledonia, won 3-0 by Caledonia.

Runzer did not blame his defensive unit, though. Instead, he laid the blame on his forwards, citing a number of missed goals.

Rangers next game is on June 30 at Huron Park at 7 p.m.

Neerlandia slate too demanding

Playing two games with only one day's rest proved to be a bit too much for Ron Rimmer's Neerlandia of the Metro Toronto Soccer Association.

They shut out Edelweiss 2-0 last Friday, but didn't have any steam left and lost 4-1 to Etobicoke Italia.

George West scored Friday's first goal and set up Tony Leonardi for the second.

Rimmer called it the best game of the season for Neerlandia.

The loss to Etobicoke was less impressive.

Neerlandia was behind 2-0 at the half, but managed to come within one after 20 minutes in the second half on a shot from Ralph McPate.

United raises funds

Mississauga United pee-wees will hold a fund-raising party on Friday to raise money for its upcoming trip to Bermuda.

Festivities get underway at 8:30 p.m. at Plantation Bowl on Dundas St. East in Etobicoke. Tickets are \$10 per person.
