Re: Land Adjacent to Stony Reserve,  
Mitford Property

Reference is made to our letter of February 1st, re the acquisition of the Mitford Coal Company lease, and also the letter written to the Deputy Minister of Justice by Mr. Manley J. Edwards, K.C., on February 14th.

Mr. Edwards phoned to-day to say that Mr. Hannah, Solicitor for the Mitford Coal Company has been inquiring if our Department is now prepared to make an offer for this property. He stated that he had received only an acknowledgment from the Justice Department to his letter and had no instructions. It is presumed that you have received a copy of this letter.

What are the instructions with regard to the acquisition of the Mitford property?
