DR. SKELTON

Mr. King said this morning that he would be grateful if Dr. Skelton would look into the matter of the reduction, urged by Mr. Hanson and approved by Mr. Robb, in the vote of \$32,000 for Reuters Agency.

I think Mr. King would appreciate Dr. Skelton's opinion as to inserting in the supplementary estimates an item to bring the reduced amount of \$16,000 up to the amount appearing in the main estimates, \$32,000.

I gather that Mr. King is in favor of re-insertion.
