Ottawa, 9th Sept., 1907.

Sir,-

With reference to the trouble which recently took place on the Golden Lake Reserve when constables from Pembroke undertook to arrest an Indian named Serazan for an assault on an Indian woman named Mrs. Seymour, I beg to inform you that it has been suggested by the Indian Agent for the Golden Lake Band that an offer of a reward might induce some of Serazan's friends to deliver him over to the police.

Your obedient servant,

Secretary.

Hon. J. J. Foy,

Attorney General,
