

and talk any more about
that.
We will be here from Jan
to the middle. I thought that
John Fisher's father-in-law and
mother-in-law, did not they
did not want us, as there
has gone one to do some more
"in-judging", but he has gone
down to the summer house
and father has gone to see
the returns of the election.
Donors very, Magel and
Ethel, are coming over to
dinner with the two boys
his departure. When they
are trying to get up a slight
party with supper afterwards

Dear Willie:
Mother and I

are above here so we
thought we would like to
write to you. Mother
father has given you all
the news but I shall give
it over again.
As you may imagine the
experiment thought in our
minds at present is that
