

Statement by Mr. Wendell
Porter at ASH RAILWAY

I was on DUTY at ASH

11:55 PM when a Caucasian
Sgt attempted to walk along
the ~~power~~ ^{power} line which
is electrified. I called him
to stand still but he
kept walking. A military
Policeman then came
and removed him onto
the track crossing and at
the same time ~~asked~~ ^{heard} the gang
onto the platform he
replied "Such the platf" or

From us, you are
only a show of "Bastards"
with the Policeman who
is particularly kept
