

The Minister, therefore, recommends that the Commission be restricted in action to the terms of the agreement but that the Commission be informed that this Government would be prepared to receive a general report on the condition of the Indians with suggestions as to the future policy and administration of Indian Affairs in the Province of British Columbia, the Indians being distinctly advised concerning the scope of the enquiry under the agreement and that the Commission will merely convey to the Government the views of the Indians respecting any matters extraneous to the agreement brought to their attention.

The Committee concur in the foregoing and submit the same for approval.

Roderick Bowdley

Clerk of the Privy Council.
