Dear Sir 66038

TRANSPORT-RECORDS

JAN 15 P.M.

File 2008-B, 8-10

Regarding recent letter
concerning present condition
of Tiger Mark C.F. B.R. #741
owned by Mr. C.H. Lilley of
Cabot.

In my opinion said aircraft
is in airworthy condition
and can see no reason why
certificate of airworthiness &
registration should not be
extended for time specified

Yours truly

C. H. Campbell
