

THE GREATEST REMEDY OF THE DAY.

CAMPBELL'S

# QUININE WINE.

This preparation will be found a specific in every complaint or condition of the system where the use of a Tonic, Febrifuge or Anti-Periodic is indicated. It has received the sanction, and is regularly prescribed by the leading Physicians of Montreal, to whom it was submitted.

The Name formerly was

JESUITS' BARK FOR PERUVIAN BARK.

QUININE is its chief active principle, and is the remedial ingredient of

CAMPBELL'S QUININE WINE,

Which is an invigorating, agreeable and gently stimulating Cordial Tonic, possessing all the well known virtues of Quinine, judiciously combined with the medicinal properties of fine Sherry and several aromatic Tonics.
