THE FARMER'S ADVOCATE,

PUBLISHED MONTHLY IN LONDON, D.C.,

POST FREE, Edited by WILLIAM WELD, a practical Farmer. It is devoted to the interest of Agriculture. It treats on the Cultivation of the Soil, the Stock, the Dairy, the Orchard, the Garden, Seeds, Crops, Implements, the Apiary, Agricultural Exhibitions, and Fairs, and pays particular attention to Seeds, and Seed Wheat especially. It was commenced to bring forward the plan and establish the

AGRICULTURAL EMPORIUM.

It is now necessary for every farmer, who wishes to know about the best kind of Stock, Seeds, and Implements, to take this paper, as the projector of the Emporium has spared neither time nor money to procure the best kind to be found. No paper in Canada can furnish you with the first information about the best Stock, etc., as no one else has taken as much pains to obtain this information, as the Editor of the Farmer's Advocate. It will be doubled in size on the 1st of January, 1868.

Engravings will embellish the next year's issue. Supplements and Extras will be published weekly, when necessary, free to subscribers. The price will be raised to \$1 per annum, in clubs

5 Do. 75 cents each.

Gentlemen that have been in receipt of it for 1867 and have not paid for it, will be marked paid to the close of 1868, by remitting \$1.50. Those who have not received it in full for the past year \$1 will suffice.

We return our thanks to those of our subscribers whose time has expired, hoping to merit the continuation of their support. We solicit their patronage and assistance to increase our subscription list. If there is one among our whole list of subscribers dissatisfied with our undertaking, we will refund the money they have paid by applying to this office by letter before the 1st of Jan.

The "Cultivator & Country Gentleman" is published in large weekly Numbers of 16 to 20 pages each, and designed to include Every Department of Agriculture, Stock-Raising, Horticulture and Domestic Economy.

The "Maine Farmer" speaks of The "Country Gentleman" as "Standing at the Head of the Agricultural Press of the Country."

The "Scottish Farmer" calls The "Country Gentleman" "The Best of all the American Newspapers devoted to matters of Rural Economy."

The "Gardner Monthly" say that The "Country Gentleman" is "Conducted with a Degree of Talent equal to any European journal, and superior to most of them."

The "Farmers' Advocate" of Canada says: "We are in receipt of Agricultural publications from various parts of the world, but for truthful accounts, well written practical articles, and general management of the paper, we have seen none at all to compare with The "Cultivator & Country Gentleman," published in the United States.
