Ontario Agricultural College, }
Guelph, June 20, 1882.

To the Empire Horse and Cattle Food Co.:

DEAR SIR,—We have made a thorough trial of your "Empire" Food during the last two years, and can with confidence recommend it to those requiring to tone up, top off, appetite, and generally invigorate all kinds of live stock.

Yours, WM. BROWN,
Professor of Agriculture and Farm Supt.

Norwich, May 2nd, 1882.

D. A. Kirk, Druggist:
DEAR SIR,—During the past winter we have used several kinds of horse and cattle foods in feeding our large stock of cattle, such as "Thorley Improved," "Yorkshire," and "Empire," and we unhesitatingly pronounce the "Empire" to be the best, after giving it an impartial trial, and would recommend it to all who keep live stock. One animal that was fed on the "Empire" Food gained 110 lbs. in 26 days, or at the rate of 4 3-13 lbs. per day.

Yours truly,
A. J. STOVER & SONS,
Breeder of Shorthorn Stock.

Manor Farm, Gowan Station, May 1, 1882.

Empire Horse and Cattle Food Co., Mitchell, Ont.:
GENTLEMEN,—Yours of May 1st to hand. I shall be obliged by you sending me 300 lbs. more of your Food to Gowan Station. With regard to this article, having used it both in this country and in England, I think I am justified in giving my opinion on the matter. I think it is quite equal to, and probably better than any other food of the kind. My stockman here is well satisfied with it, and tells me that its use is easily seen in the handling of the animals he feeds it to, and I am sure for myself that it is an article well worth using.

Yours, C. C. BRIDGES,
Shanty Bay, P. O., County of Simcoe,
Importer and Breeder of Hereford Cattle, Shropshire Down and Southdown Sheep.

Woodstock, Ont., June 24th, 1882.

To the Empire Horse & Cattle Food Co., Mitchell:
GENTLEMEN,—Speaking about your food, after testing it thoroughly myself and getting opinions from a great many of the principal farmers in this section, I can recommend it very highly. I feel satisfied it is far ahead of any other food that I have seen offered for sale. At first I thought it advisable to order only 100 lbs. at once, which I did for some time, but now, as you will see by last order a few days ago, I get it by the ton. All you require is to keep the Food up to its present and past standard, and I am sure you won't need to ask people to buy it. It will sell itself.

Yours truly, W. H. MILLMAN.

Stratford, Ont., June 29, 1882.

To the Empire Horse and Cattle Food Co., Mitchell, Ont.:

GENTS,—After giving your Horse and Cattle Food a trial, we have just purchased a further supply, which is the best testimonial we can give as to its merits. I may say that formerly one of our horses, when heavily driven, would sometimes lose its appetite. Now it is always ready for its food. Since using your food our horses have done their work well, and kept in good condition. When in England I visited the Thorley Manufactory, and when visiting yours in Mitchell I could not help noticing the sameness, both as regards smell and appearance of the ingredients used at both places, and have every confidence that your Food is identical in all its essential ingredients with that which has caused Thorley's name to be with a household word in England, and has given come a household word in world-wide reputation. I am, yours truly,

W. E. SHARMAN (Gadsby & Sharmen),
Marble Works, Stratford.

Thorold, June 29th, 1882.

Empire Horse and Cattle Food Co., Guelph, Ont.:

GENTLEMEN,—We have great pleasure in recommending your Horse and Cattle Food to the public. Every one here that has used it speaks very highly of it. The amount of it that we have sold since it was first introduced here, Dec. 5th, 1881, speaks for itself. Our orders will show that we have sold 2,000 pounds. We will send you a number of testimonials from our customers, and hope we will have them in time for your almanac.

Yours truly,
GEARIN BROS.

This old and well-tried Company does a larger business in Ontario alone than any other Company. Stock or Mutual, English or Canadian, in the whole Dominion, having in the year 1881 issued no fewer than **13,949** Policies, a number never before exceeded, excepting by itself. The year 1881 was a most trying one for Insurance Companies, and this Company had an exceptionally heavy bill of losses, yet according to the Dominion Government returns, it was the only Canadian Company whose income exceeded its expenditure for the year. For insurance apply to any of the Company's Agents throughout the Province, or address the Manager, London, Ont.
